

## Give Qualified Approval To AGS Band Trip

The Antioch Grade School Board Tuesday night awarded the contract to drill a well at the Channel Lake School to Ernest Glenn on his low bid of \$955.05.

Four bids were presented to the board, by Thomas Runyard, Charles Wertz, Henry Boysen of Libertyville and Ernest Glenn. Glenn was instructed to start work on the well as soon as possible.

The board also purchased a tractor from Pedersen Bros. on the low bid of \$4,297. The tractor is to be used for snow removal and maintenance.

The board gave qualified approval to the proposal that the Antioch Grade School Band accept an invitation to play at the Canadian World Exposition in Montreal in 1967. Board members asked Attorney Ted Larson to investigate insurance coverage on the children and their equipment while in Canada. They also wanted to know more about the cost of the trip and how the money is to be raised.

The 66 children in the band would be at the Exposition for 8 to 10 days. Tentative plans are that the Band Parents Association would

raise money to finance the trip, with the children probably supplying some of their own expenses, such as food. Several adults would accompany the children.

The board asked that the Band Parents Finance Committee submit more information to them at the next board meeting. They will be asked to give specific costs, and the methods they will use to raise the money for the trip.

It was announced that the annual meeting of the Lake County School Board Association will be held today (Thursday) at Grayslake High School. Several board members will attend.

The Illinois Association of School Boards and Administrators will meet November 19, 20 and 21 at the Sherman House in Chicago. Members of the Antioch Grade School Board will attend some of the sessions.

### OPEN HOUSE AT GRASS LAKE PTA

Parents of children attending Grass Lake School will be able to hear the programs being offered to their children, at the November 21st P.T.A. meeting. The business meeting will begin at 8:00

## Tavern Owners To Meet Thursday

The annual membership party of the Tavern Owners Association of Lake County will be held Thursday, Nov. 17 at Brae Loch Country Club, Rte. 45 at Gages Lake, according to Ki Serzynski, party committee chairman.

The party will be limited to paid up members of the county-wide association and their guests, according to Serzynski.

Dancing and special entertainment will follow the dinner, which will be served at 8 p.m.

## Auxiliary To Hear About Mental Health

Thomas E. Smith, psychologist for the Special Education District of Lake County, will speak at a meeting of Antioch Mental Health Auxiliary on Monday, Nov. 28.

The meeting will be at the home of Mrs. Edmund Vos at 576 N. Main St. Anyone who is interested in invited to attend. Refreshments will be served. For further information about the Antioch Mental Health Auxiliary, please call 395-0305 or 395-2247.

It always seems that just as soon as supply catches up with demand, demand begins to play hide and seek.

VOL. LXXXI, NUMBER 21

## Legion Post 748 Presents Citations On Veteran's Day

The American Legion Post No. 748 observed Veterans' Day last Friday with ceremonies at Hillside Cemetery in the morning, and joint dinner meeting with the Auxiliary in the evening.

The 11 a.m. ceremony at the cemetery included prayers and the firing of a salute over the grave of a dead veteran. The evening dinner and joint meeting of the Legion and Auxiliary included the awarding of several citations.

Eight citations were presented by Commander Bernard Stadick. He also pre-

sented a corsage to Gold Star Mother Myra Randall.

Citations were presented by Stadick to the Antioch Rescue Squad and to retired Captain of the squad, Ernest

Westlund, for their unselfish and heroic service to the community. Westlund ac-

cepted the citations for himself and the squad.

A citation was presented

to retired Fire Chief Edgar Simonsen for 17 years of service to the Antioch Fire Department and for his outstanding performance of duties; Fire Chief Charles Maple-

thorpe accepted a citation for the Antioch Fire Department for their fine work in fire control in Antioch and the surrounding area; Police Chief Jack Heick received a citation for meritorious work in maintaining law and order; Mrs. Margaret Gaston, publisher of the Antioch News, was given a citation for her newspaper's outstanding publication of veterans' programs; Pearl Kapell, editor of The Antioch News, received a citation for excellent editorials on veterans and their activities; and State Police Corp. Jack Wells received both a citation and the American Legion Medal of Valor for his courageous apprehension on Sept. 30 of two kidnapers and their victim. This is the second Medal of Valor Corp. Wells has received from the Legion.

## Deputy Assessors Working In Township

G. Dudley Kennedy, Antioch Township Assessor, reminds residents that deputy assessors are continuing to measure the improvements of Antioch Township for a permanent appraisal system which has been requested by the Department of Revenue.

These deputies carry identification and Mr. Kennedy requests that if there are any questions, please call him at the Township office, 395-1545.

Left to right, Mrs. Margaret Gaston, publisher of the Antioch News; Commander Bernard Stadick and Ernest Westlund. Mrs. Gaston and Westlund received citations from the American Legion Post 748 from Commander Stadick.

## Grade School Band Kicks Off Fund - Raising Drive Today

Members of the Antioch Grade School Band will have a special reason to work hard on their annual fund-raising candy sale this year.

The Band has been invited to participate in the Special Events Program at the Canadian World Exhibition in Montreal in 1967. Some of the money raised by the

candy sale will help to finance the Canadian trip, if it is approved by the school board.

Band members "kicked off" the annual candy sale this year by selling the first box of candy to Mayor and Mrs. Ray Toft. Students from grades four through eight will assist the band

members in the candy sale this year. Prizes will be awarded to the four top salesmen.

The sale started Wednesday, November 16, and will end Sunday, November 27. Band officers are Dawn Ellis, president; Bradley Smith, vice president; Gail Kumpfer, secretary and Vicki Lear, treasurer.

## Musical Variety At Fall Band Concert

A variety of music, from the classical to the popular, will be offered at the annual fall concert of the Antioch Community High School Band Monday night, November 21.

The concert will start at 8 p.m. in the high school auditorium. Two special features will highlight the program—a trumpet duet and the appearance of James Neilson as guest conductor.

The trumpet duet will be performed by Mike Mazer and Glen Erickson, two outstanding young performers in the band. They will play Antonio Vivaldi's Concerto in B Flat with band accompaniment.

James Neilson is the director of Education at the G. LeBlanc Corp., and a former Director of Bands at Oklahoma City University. In addition, the band will

### HOLIDAY WEEK PAPER

The Antioch News will be printed one day early next week because of the Thanksgiving holiday. Rural subscribers will receive the paper on Wednesday instead of the usual Thursday delivery.

Because of the early printing, advertisers are asked to have their copy in by noon Monday, Nov. 21. Correspondents are also asked to have their copy in early.

offer a wide selection of compositions under the direction of Joseph Rush, director of the Antioch High School Band.

The ACHS band received the Governor's Trophy recently after competition in Springfield with 43 other High School Bands. Tickets to Monday's concert are now on sale by band members.

Members of the Antioch Grade School Band "kick off" their candy sale by selling the first box of candy to Mayor and Mrs. Ray Toft. Left to right, the Mayor, Mrs. Toft, Dawn Ellis, Gail Kumpfer, Vicki Lear and Bradley Smith.

## Board Struggles with Zoning Problems

The village board Tuesday night, after considerable discussion, decided to return to the zoning board for further consideration their recommendation on rezoning of property on Orchard St.

The zoning board, after a hearing last week, recommended that the petition of Chris and Betty Mortensen for rezoning of a lot on Orchard St. be denied. The Mortensens had asked the zoning board to re-zone property on Orchard St. from B1 to R4, to allow them to convert a one-family home into a two-family home.

In its recommendation, the board pointed out that the R-4 classification called for a lot with 75 foot frontage and a total area of 8,500 square feet. The frontage of the Mortensens' lot is 49.5 feet, and it has an area of 15,000 square feet.

Village board members all agreed that they felt that the R-4 zoning is an upgrading, which is generally desirable. Attorney Edward Jacobs said, however, that the frontage requirement in the zoning ordinance made it impossible for the zoning board to approve the re-zoning.

Trustee David Nissen asked if the frontage requirement could be changed, and Attorney Jacobs said that it would require a public hearing, such as was held when the zoning ordinance was adopted.

He cautioned the board to go slow on changing the ordinance. "If you change

the ordinance each time you feel it conflicts with what you think is a reasonable request," Jacobs warned, "you might better scrap it. A year from now, the Mortensens might be back and want this property re-zoned B-1. Then you'll have to change it again."

Jacobs pointed out the only real solution to the problem was to give the Mortensens a variation on a hardship plea. Kenneth Mortensen, son of the couple, said he felt denial of the petition was a hardship on his parents. "The house is too big for them," he said. "And they need the income from rental."

Trustee Roger Williams said that he had always felt that the principle of zoning allowed a property owner to use the property to its best advantage, particularly where the request would up-grade the property. "I always felt a person could go before a Board of Review with a reasonable request for re-zoning, and get consideration," Williams said. "All of Orchard St. is zoned B-1. What do these property owners do where their homes need repair—just let them fall down till they're forced to sell to business?"

The board finally approved a motion to send the matter back to the zoning board for re-consideration before taking final action on it.

### PROTESTS WARNING TICKET

Tom Steiskal, Main St., An-

tiotch, protested to the board that he felt there was discrimination in issuing warning tickets on all-night parking tickets. A recently-passed village ordinance, aimed at eliminating all-night parking on the street to facilitate snow removal and street cleaning, prohibits parking on any village street between 2 a.m. and 5 a.m.

Steiskal said that after he got a warning ticket on his

car, he toured the streets several times between 2 and 5 a.m., and saw police ignore cars parked on the street. He took several license numbers of cars that were parked all night and did not receive tickets. "If you're going to ticket me, you should ticket all," Steiskal said.

Police Committee Chairman Art Meierdick said the police were only issuing

## Ask For Tax Rate Increase

The voters of School District 36, Grass Lake School, will be going to the polls Saturday to vote on the 21 cent increase in the educational tax rate.

Polls will be open from noon to 7 p.m. at the school. Voters must be registered voters living in school district No. 36.

Superintendent John Schockmel said the increase, if approved, would bring the total educational rate to \$1.04 per \$100 assessed valuation.

The present educational tax rate is 83 cents, which is three cents over the minimum state requirement. The maximum rate is \$2.00.

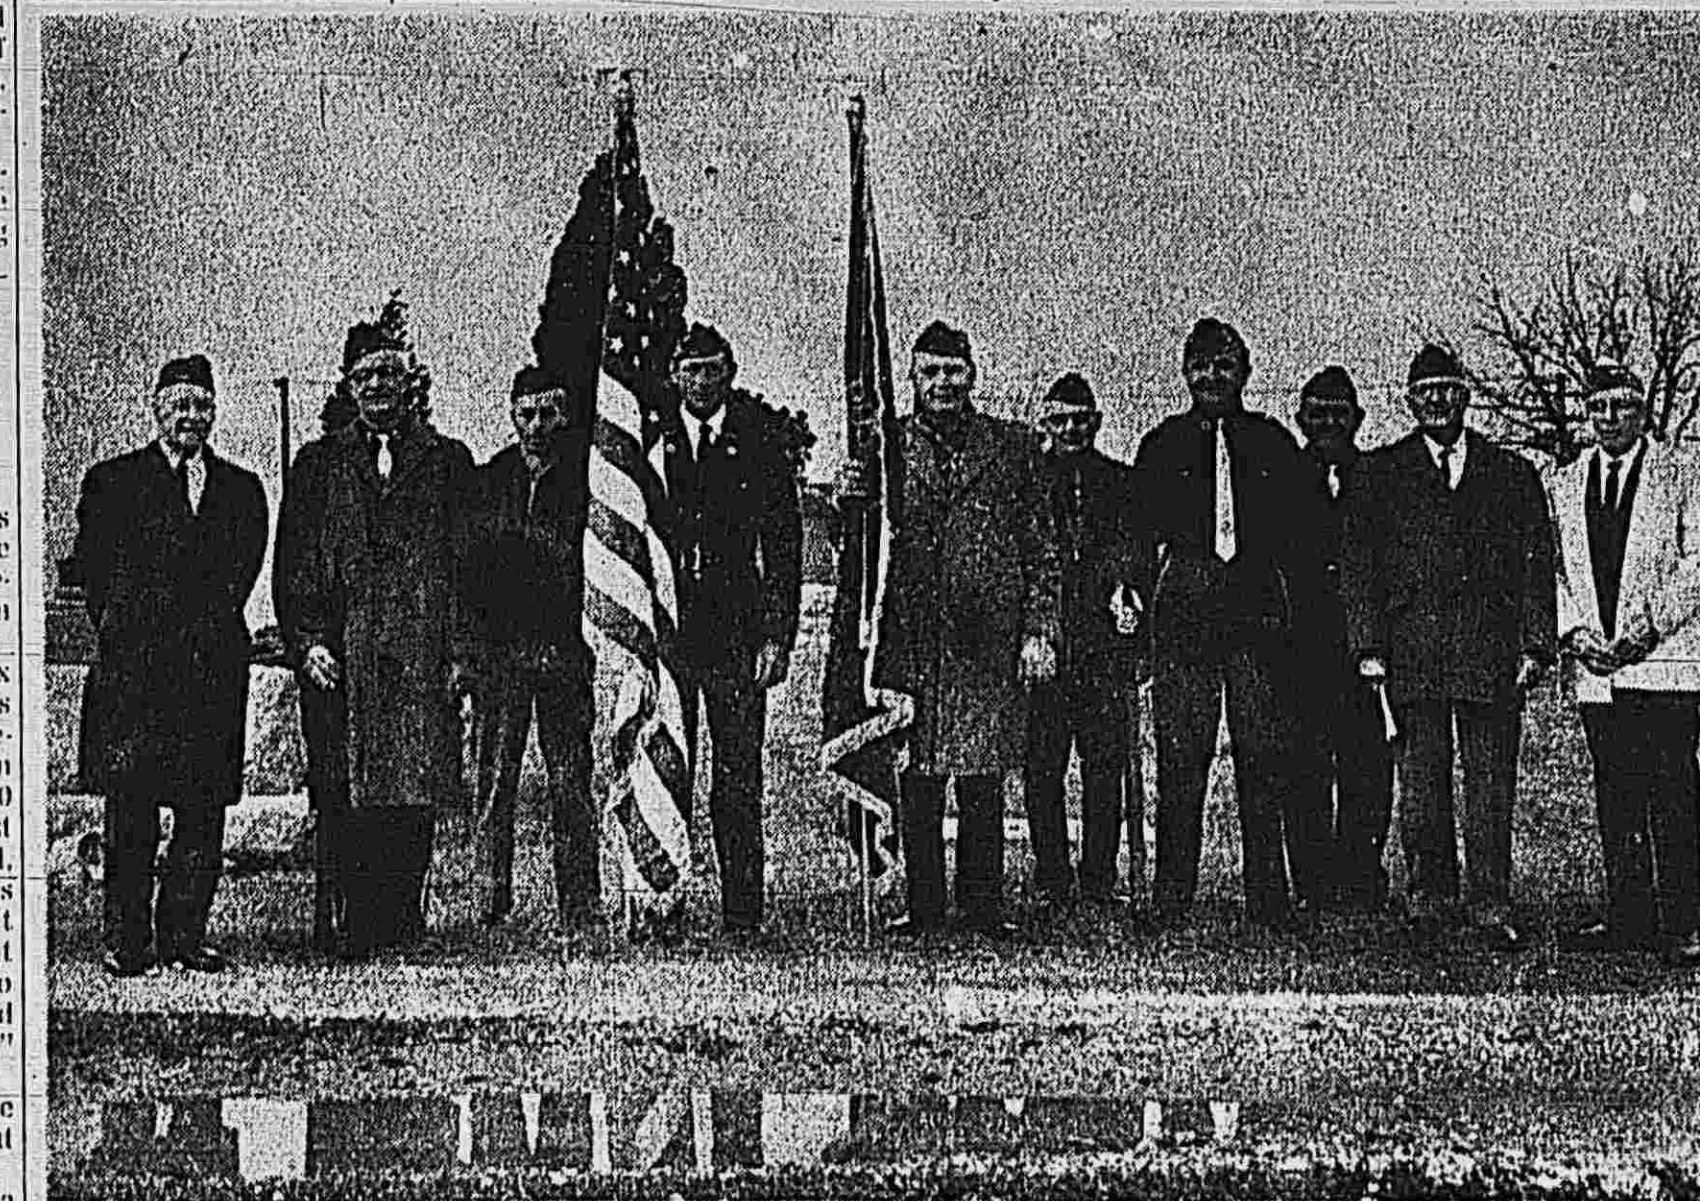

"Our educational tax rate was the lowest in 1964 of any elementary school district in the county," Schock-

mel said. "The district's total rate of 1.157 was the second lowest out of 44 elementary school districts in Lake County."

"Because of the low tax rate which the district has had for many years and because of the increase in student population of 20 students per year for the last three years," Schockmel said, "the educational fund has run into the red for about \$32,000. We are at a point where the district can no longer operate in the red and so more funds are needed," stated Schockmel.

If approved the increase would yield the district about \$15,000.

Schockmel said that a group representing P.T.A. has met several times with the Board of Education and is backing the referendum.

Every year, at 11 a.m. on November 11, members of Antioch's American Legion Post 748 hold a short ceremony at Hillside Cemetery in honor of their dead comrades. Left to right, Dr. G. W. Jensen, David Kuiken,

Harold Koppa, John W. Horan, Andrew Kalnik, Tony Bishofberger, James Ferrier, Paul Chase, Alex Hoffman and Al Swenson.

### Election Day Surprises

Last week's general election brought some stunning surprises to the Democratic party. The indomitable, unbeatable machine which has operated so efficiently for many years shuddered, groaned and stripped its gears. And just the knowledge that it can be beaten may mean that it will never again be quite so efficient.

Analysts like to pin specific tags on each result and tie them up in neat little packages, labelled with the motivation that made several thousand voters vote as they did. "Age" was the reason most political analysts said Paul Douglas failed to be re-elected. Was it age, or was it disillusion with the rash of social legislation that was cutting into the wage-earner's paycheck? Or Douglas's backing of the president's policy in Viet Nam? Or a combination of all three?

Adlai Stevenson III survived the Republican sweep in the state. The value of a familiar name seems pretty clear here. Stevenson would like to believe otherwise, but had his first name been John or Charles, Harris Rowe might well be treasurer.

Whatever the voters' reasons for failing to elect many Democrats, you can be sure that office-holders, including master politician L. B. Johnson, will be heeding the voice of the public. The election will probably mean a sudden cessation of emphasis on welfare legislation and programs. It may speed the end of the war in Viet Nam. It might even make the Federal government forget about raising the income tax.

Whatever the results, it's good to know that Americans can still get "fed up" and refuse to listen to the directions of the professional party men.

## Courthouse Notebook

BY LOU DIJRKIN

The 1966 election is history, but it will be some time before all the experts get through explaining just what did happen and why.

It is difficult to pinpoint a single issue that produced the wide-ranging changes in the national political picture, but probably the most important single factor was a dissatisfaction with the "feel" of things in the country today.

Few can put their fingers on what is wrong, but many people feel uncomfortable and feel that any change in political leadership will be an improvement.

At any rate this is still the only way the man in the American street can express his disapproval and he took advantage of it in near record numbers for an off-year election.

It will be interesting to see if President L. B. Johnson interprets the outcome of the voting as a mandate to continue the Great Society and other administration policies or if he steps back for another sounding of the pulse of the country.

As a great believer in government by consensus President Johnson has some heavy figuring to keep him busy for awhile.

Locally there were no surprises although in some areas W. J. Murphy had been expected to be top man in the race for State Representative, a spot captured by John Conolly who won his third term.

This probably won't affect Murphy's bid for a position of leadership in the house of Representatives if the Republicans again control because he ran behind Conolly the term he became House Majority Leader and Chairman of the Budgetary Commission.

Lake County Independents who voted for Pres. Johnson and Gov. Kerner two years ago swung back to the Republican column this time, apparently because there was virtually no difference between the total votes received by the county candidates and

those picked up in Lake County by the candidates running for state office.

The followers of Herbert L. (Hub) Stern, who campaigned hard and expensively for the Congressional seat of Robert McClory, are probably wondering what it takes to win an election other than a change in party.

Stern's hard work produced no more votes than those collected by the Democratic candidates for county office despite a lackluster campaign on the part of the most of them.

The Highland Parker tried hard to stir up controversy and to challenge Rep. McClory's record in Congress, but he just never hit an issue that could arouse the electorate enough to bring about an upheaval.

The political future of Waukegan Mayor Robert Sabonjian will be hazy at least until the final official canvass, but even then it will probably never be known exactly how many votes he received as a write-in candidate for U. S. Senator.

If Sabonjian is credited with 50,000 votes it would seem reasonable that he would be a rather potent candidate for a state office two years from now.

The County Board of Supervisors took a chellacking in the special votes placing ceilings on tax rates for the county general fund, the county health department and the county tuberculosis fund.

The TB fund—and the Health Department fund are not in danger, actually, but the fact that people voted against these two funds is evidence they lack confidence in the county board.

Perhaps if the board members had spent more time leveling with the voters and less time in trying to demean the petitioners individually and as a group the voters would have gone along.

Board spokesmen are threatening to eliminate the Public Works Department, but if this department was vital two weeks ago and im-

By Pearl Kapell

Somewhat, I can't quite trust the automatic voting machine.

Used to be, I could scan back over my ballot to make sure each mark was in its proper place and that I had voted correctly for each candidate that I wanted to vote for.

Now, I pull a card out of the machine and see several holes which mean absolutely nothing to me. Looking at the card, I have no idea whom I voted for. Neither does anyone else, except a machine.

Perhaps the younger generation has an abiding faith in the infallibility of machines. I don't. And I think machine voting has definitely taken some of the "kick" out of voting, the feeling of virtue at a job well done.

MERRY CHRISTMAS! The Red Cross program of making free recordings of the families of servicemen who are overseas is one of the nicest ideas yet.

Christmas is the loneliest day of the year for young men away from home. And what could be more wonderful than to hear the voices of the family members, voices he may not have heard for months.

What's a good teacher? Probably all of us remember one, two or more teachers throughout our student days from whom we learned a great deal more than from others. Teachers who made the subject interesting enough so that we wanted to study, and who had the ability to make difficult problems clear.

A superintendent of a California School District names the qualities he believes make a good teacher.

A good teacher, he says, instills in each class and pupil a feeling of pride, confidence, a sense of belonging and a knowledge of accomplishment. He expresses admiration and encourages promptness, punctuality and accuracy.

A second evidence of good teaching, he says, is "purpose." The teacher knows what he is doing and why. His pupils also recognize the objectives.

Third evidence is control and management. Could you say whether or not your favorite teacher had these qualities?

#### SOMEBODY'S BOY

Somebody's boy was crossing the street.

Innocent, young and fair; He hadn't the judgment of older folks.

He didn't see danger there.

Somebody's boy had a song on his lips, But it died in an instant away.

For a motorist ran the little boy down And he died at the close of the day.

Somebody kneels by an empty bed

And fondles a little shoe; Somebody looks through the empty years; Suppose this somebody were you?

### Y Mothers of Twins Club To Meet

Y Mothers of Twins Club will meet Thursday evening, November 17th at 8:00 p.m. in the lounge of the Y.W.C.A. at 445 N. Genesee St., Waukegan.

The program for the evening will be presented by Mrs. Richard Curlee of the Hallmark Holiday House, 20 N. Genesee Street. Mrs. Curlee will demonstrate some features of gift wrapping, and will make some Christmas ornaments. She will also exhibit some holiday decorating kits for Thanksgiving and Christmas.

There will be refreshments served after the program. An invitation is extended to all mothers of twins in the area. For further information, call Mrs. James Wightman, President, at 244-1935.

Important to the health and welfare of the county it is still essential and some other means of reprisal should be found.

## ALONG THE WAY with Annie Mae

### Night Out

Seven members of the Antioch Fire Dept. Water fight team treated their wives to dinner and dancing at the White Oaks last Saturday.

### Wedding Bells

Mr. and Mrs. C. L. Heath of Nokomis, Florida, and Mr. and Mrs. Don Heath of Lakeland, Florida, attended the wedding of their niece and granddaughter, Pat Heath, daughter of Marv and Betty Heath.

While on the subject of weddings, I saw Betty Waite in town with her family to attend the wedding of her sister, Margaret.

### Congratulations

To The Advertiser on their successful grand opening Saturday. Their attractive building sure is another add-

ed asset to the growth of our fair city.

Congratulations also go to Frank and Flo Haiselman on the arrival of a little gal in pink.

### Land of Sunshine

Mrs. Henry Pape left this week for Clearwater, Florida to take up her winter residence.

### New Business

I see some of the Main Street vacancies are filling up, with a new T.V. sales store going into the packing house and an art supply store going into the old liquor store. Best of every-

For all you last minute-ers! Only 33 shopping days till Christmas.

Till next time.

ANNIE MAE

Many small profits are usually better and surer than one big profit.

The final curtain has gone down on "Once Upon a Matress," PM&L's opening production of the season, and undoubtedly many among the audience are still laughing about this hilarious and very successful musical comedy. Hats off to Dee D'isa, the craziest Princess you ever saw, and also to the nearly 700 people who came to see her and an equally fine cast.

But now PM&L moves forward again and already in production is the children's play, "Rumpelstiltskin," which is being directed by Valerie Hunley. It will be presented the first two weekends in December. This is the third children's play that Mrs. Hunley has directed in the PM&L Theatre. The first was "The Elves and the Shoemaker," and last year "Flibbertygibbet" was given.

The cast of Rumpelstiltskin are the following: Rumpelstiltskin, Jay Horton (Jay played Flibbertygibbet); the Miller, Josef Hunley; the Miller's wife, Shirley Jensen; the Miller's daughter, Heather Hunley; the King, Homer LaPlant; the King's son, Steve Krotz (he's a prince again); the King's daughter,

Commander Bernie Stadick of American Legion Post 748 gave awards to Corp. Jack Wells of the State Police and Antioch Police Chief Jack Heick at last Friday night's dinner meeting. Left to right, Wells, Stadick and Heick.

American Legion Post 748 gave citations to several people at the Veteran's Day dinner. Left to right, Fire Chief Charles (Tod) Mapleshorpe, Bernard Stadick, Commander of the post and retired Fire Chief Edgar Simonsen.

## Warn Against Using Dry Milk Products

WARN AGAINST USING ...

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, has urged all persons having Stalac dry milk products in their homes not to use them. They should be returned to

the stores from which they were purchased.

The U. S. Food and Drug Administration has discovered salmonella organisms in some of the products. These organisms produce a gastrointestinal infection, causing diarrhea and stomach cramps, sometimes with serious consequences.

Dr. Yoder has ordered an immediate reinvestigation of the 15 plants in Illinois producing dry milk. Laboratory tests will be performed on samples to check the extent of contamination.

One of life's briefest moments is the time between reading the sign on the freeway and realizing you just missed the off-ramp.

## Record A Merry Xmas For A Serviceman

You can "go on record" as wishing a serviceman in your family a Merry Christmas and a Happy New Year.

The Lake County Region of the American Red Cross is again this holiday season offering county residents a unique free service. They may come to the regional office at 308 Julian St. to make a phonograph recording of their personal holiday message to servicemen far away from home — their own words, in their own voices.

Locally-stationed servicemen at Great Lakes or Ft. Sheridan may also send records of their personal greetings home to their families, also without charge. (There is no charge for any Red Cross service).

Persons who wish to make "Voices from Home" recordings for servicemen family members should call the Lake County office at ON 2-4044 and leave their names and telephone numbers. They will be contacted later for firm appointments. Call on weekdays between 8:30 a.m. and 4:45 p.m.

A free mailing jacket will be furnished for each "Voice

es Home" recording made. It's advisable to plan ahead what greeting you intend for your special serviceman. Better yet, write it out. Read it slowly aloud. Messages should be no more than 3 to 5 minutes long. By planning ahead you can offer a lonely serviceman hundreds of miles away from home a holiday greeting "card" he'll remember for a lifetime.

## 4-H Leaders Attend Forum

Mrs. Edward Hevrdels, Antioch, and leader of the Sequoia 4-H Club, and Mrs. Melbourne Mudd, Libertyville, and leader of the Fireside Chips 4-H Club, joined a group of 37 Illinois 4-H leaders attending a Leaders Forum at the National 4-H Center in Washington, D.C., October 29 to November 6.

The Leader Forum is designed to help 4-H leaders become more effective in their work with young people. Through the forum,

## Lake County Stock At International Exposition

Prominent Lake county farms are among the many Illinois farms from which entries have been received for the 1966 International Live Stock Exposition, to be held in Chicago November 25 to December 3, (the show management reports).

Marvin Goodridge, manager of Elmwood Farms, owned by Robert Rasmussen, Antioch, has listed entries comprising a show herd of 17 purebred Holstein cattle; and Judge Robert L. Hunter, of Chicago, owner of Ravens Glen Farms, Antioch, has also entered Holsteins.

Red Top Farms, Mundelein, and Picket Fence Farm, Grayslake, will be represented by purebred Angus cattle; and L. S. Florsheim, Jr., is sending Charolais cat-

tle from his Enivar Charolais Farm at Lake Forest. Tempel Farms, Wadsworth, will be exhibiting Shorthorns.

John Allen, and J. D. and R. F. Allen, of Lake Zurich, have made entries for the Hampshire, Southdown, and Montadale sheep classes; Charles Dooley, Gurnee, will show Oxford sheep, and Allied Mill's farm at Libertyville, will be represented by swine entries.

The International will celebrate its 67th anniversary as the country's largest stock show. It will be held in the 123-acre International Amphitheatre at the Chicago Stock Yards.

The week-long meeting included discussions, lectures, field trips and recreation aimed at improving 4-H leadership. The program also included visits to many national shrines.

leaders gain a broader understanding of young people and develop deeper commitments to work with youth.

## "America The Beautiful" Pictures On TV

A special Thanksgiving TV program in color is being arranged by Orion Television, WGN-TV, Farm Director for his "Top O' the Morning" program from 6:35 to 7:00 a.m. on Thursday, November 24th.

The program will use the soil and water conservation series of colored pictures "America the Beautiful" as background scenery for the 25-minute musical program featuring Harold Turner at the organ.

The America the Beautiful pictures have been produced by the Soil Conservation Service, and are available for purchase either as individual pictures, or in sets of 52 for \$5.00. The 15" x 20" pictures on 20 x 24" paper represent each State plus Puerto Rico and the Virgin Islands. The pictures illustrate the efforts that farmers and ranchers across the U. S. have put forth to conserve our natural resources.

The America the Beautiful series of pictures has

proven very popular. The first printing of 10,000 sets was completely sold out, and is now being followed by 60,000 additional sets of these pictures.

Information and order blanks for the pictures can be obtained from the local Soil Conservation office at 71 South Old Road, Lake Zurich.

## Music Assn. To Meet

Sunday afternoon, Nov. 20, has been set aside for parents and friends of the Music Center of Lake County. At 3:00 p.m., the first meeting of a new "Parents and Friends Association" will be held.

Immediately following the meeting at 4:15 p.m. the first faculty recital of the 1966-67 school year will take place. Both events will be at the Music Center of Lake County, Lilac Cottage-Bowen Park, 1917 N. Sheridan Dr., Waukegan.

Mr. Robert Christensen, director of the Music Center, said that in forming the "Parents and Friends Association" he hoped that parents would have a more active part in shaping the Music Center's future and role in the community. The steering committee for the group is Bertram Allen, Nathan Shipkowitz and William Holcomb.

Mr. Allen, who has been chosen spokesman for the steering committee, will speak on the parents' role in the growth of the Music Center.

Dr. Jules Altenberg, president of the Music Center executive board and Mr. Robert Christensen, director of the school will discuss the Center's program — past, present and future and the school's role in the community. A question and answer period will follow. Persons in the community interested in learning more about the Music Center are invited to attend.

Scale Chaparral and Lotus 30 cars fishtail into curves, go flat-out in straights over complete 25' track. 2 controllers, 14V power pack.....\$28.97  
TRACK PACK with LeMans Start, 4 tracks.....\$5.99  
TRACK PACK w/ lane changer, counter, track 7.77

Diana Maria Stagg, Foreign Exchange student from Ecuador, receives a \$25 bond from Dale Starkey, cashier of the First National Bank, at the Chamber of Commerce luncheon.

## Diana Tells About Life In Ecuador

Diana Maria Stagg, student from Ecuador attending Antioch High School this year, was guest of honor at last Thursday's meeting of the Antioch Chamber of Commerce.

Diana's year in Antioch is sponsored by the American Field Service. She resides with Mr. and Mrs. Walker Lyons during her stay here.

Diana was accompanied at the luncheon by Mrs. Robert Jensen, coordinator between the foreign exchange student and the public.

Diana told the Chamber members a little about herself and life in Ecuador. She

is eighteen years old, a senior in high school, and has an older brother and a younger sister.

There's little emphasis on high school sports in Ecuador, Diana said. Pupils are too busy studying to have much time for extra-curricular activities. They carry eight subjects, none of them elective.

Elementary school covers six years, and only the children of families that are well-off are likely to go on to high school or college. There are few colleges.

Miss Stagg speaks English quite well. Thanks to two

years of studying our language before she came here, one has no difficulty in understanding her. She also has picked up some American slang, which entertained her listeners.

Ecuador, she said, was under a dictator until "we kicked him out."

Students in Ecuador study much harder than American students, she says—"books, books, all the time books." But they're too lazy to indulge in sports much.

Halloween and Thanksgiving are not celebrated in her native country, but Christmas and New Year are. And there's a three-day festival in February in which the main object seems to be to see to it that everyone gets wet, whether with water, eggs or what-have-you.

Diana is studying French and English—she finds French easy, much like her native tongue. She hopes some day to be a linguist secretary, like her father. Or maybe a nurse.

At the close of the meeting, Dale Starkey of the First National Bank, presented Diana with a \$25 Savings Bond.

### American Legion Auxiliary News

By Del Jahneke

There will be a New Citizen's Reception, co-organized by the 10th District American Legion Auxiliary and the American Legion, on Tuesday, November 22nd, at 8:00 p.m., to be held at the Homer Dahlinger Legion Home in Waukegan. The co-chairmen for this affair and 10th District-Legion Junior Vice-Commander Dan Kalasa, Mundelein, and District Auxiliary Americanism Chairman Mrs. Ted Odum, Libertyville. All Legion Posts and Auxiliary Units, and other participating organizations, are requested to have their colors posted before this meeting.

The meeting will open with the Presentation of Colors by the Homer Dahlinger Legion Color Guard. Invocation and Benediction will be given by District Chaplain George Robbins, Zion. Mrs. Oscar Levander, WRC (Women's Relief Corps) will sing "The Star Spangled Banner." Three Boy Scouts from Troop 71, Libertyville, will lead the audience in the "Pledge of Allegiance."

Addressees of welcome to the new citizens will come from District Director Mrs. Herbert Gleason, Libertyville, and District Commander Ruel Hartwell of Waukegan. The guest speaker will be Mr. Norman H. Schaper of Libertyville. Mr. Schaper is vice chairman of the North Shore Area of Boy Scouts, and is also an Assistant Chaplain at Downey Hospital on Sundays. His topic will be "Americanism Through Boy

Scouts". The North Chicago Junior Auxiliary members will act in a skit, entitled "A Child's Hymn to the Republic." Lake County Circuit Court Clerk Stephanie Sulthill will hand out their naturalization papers, to 55 new citizens.

Americanism Chairmen from the following organizations will give the new citizens this printed literature: Mrs. Edna Booth, WRC, "The Flag Speaks"; Mrs. Irving Jordan, North Shore Chapter of the DAR (Daughters of the American Revolution) "The Pledge of Allegiance"; Mrs. Nester Daggitt, Waukegan Chapter of the DAR, "Flag Codes"; Mrs. George Groat, National Commander of the DGAR (Daughters of the Grand Army of the Republic), "The American Creed"; and Mrs. Alice O'Dell, Ladies Auxiliary to the World War I Veterans, "The Great Seal of Illinois and Other Historic Documents." Mrs. Joan Merritt, Waukegan Unit No. 281, will give miniature American flags.

The Gurnee and North Chicago Juniors have fashioned corsages for the new women citizens, and boutonnieres for the men.

The Antioch American Legion Auxiliary, and the Baxter Evans, Libertyville, Mundelein, Vernon and Waukegan No. 281 Units will serve the refreshments: Mrs. Ray Rathmann, Mrs. Bernard Stadick, Mrs. Edward Jahneke, and Mrs. Lester Zitkus will be attending the meeting.

## Raise Money For Holiday Food Baskets

Members of St. Peter's Knights of Columbus Council No. 3800 have started their annual Candy Sale to raise money to provide food baskets for the needy at the Christmas season.

The local Council distributed about 40 baskets to families in the Antioch and Lake Villa area last year. The distributions are on a non-denominational basis. Names of deserving families are secured from local ministers.

John R. Bajek, chairman of the project, says that candy can be purchased at the following places: Klass Men's Store, The Little Gallery, Lyons & Ryan Ford, Thompson's Tavern and Wehr's Grocery and Tavern.

One word is the secret of most financial independence: No.

## Topics for Today's Women

## Family Night At Antioch School

Monday night, November 21, will be Family Night at the Antioch Grade School.

The meeting will start at 7:30 p.m. and school children will be welcome if accompanied by their parents.

During a short business meeting, the American Legion Post No. 748 will present flags to the Antioch

Grade School and to the Oakland School.

Following the meeting, parents will be able to visit their children's room.

Refreshments will be served in the cafeteria at the close of the evening, with the sixth grade room mothers and mothers of Mr. Dierking's fifth grade room as hostesses.

## Campus News

### ELECTED TREASURER

Mary Sorenson, daughter of Mr. and Mrs. Albert W. Sorenson, of Lake Villa, has been elected to the office of Treasurer of Skoll Ski Club at Upper Iowa College in Fayette.

### REPRESENTS IOWA WESLEYAN

Jean Price, daughter of Mr. and Mrs. Arthur Price, Rt. 5, Antioch, was one of the students representing Iowa Wesleyan College at the annual conference of Region Ten of the Association of College Unions held recently at the University of Iowa.

### POM POM GIRL

Mary Jane White, Antioch, has been selected for membership in the Pom Pom girls at La Crosse State University.

An organization to promote campus spirit, particularly during the football and basketball seasons, the group takes its name from the pom poms which the girls use in their routines. They perform with the University band, the "Marching Chiefs," at football games, and participate in homecoming and Octoberfest parades.

Miss White, daughter of Homer White, Route 2, is majoring in elementary education at LaCrosse State.

## Social Notes

By Del Jahneke

Mr. and Mrs. Robert H. Dunlap, Jr. celebrated their fourth wedding anniversary on November 5th, by dining at the Kon-Tiki Sports Restaurant, Sheraton - Chicago Hotel in Chicago, with Mr. and Mrs. Robert Anderson of Antioch. The two couples then concluded their evening with a tour of "Old Town."

Mr. and Mrs. Alex Hoffman, Grass Lake, entertained Mrs. Lillian Evans of Marengo, Mr. Alfred Kuhlman, Niles, Mrs. Marie Reinhart, Spring Grove, Mr. and Mrs. Vincent Block of Glenview, and Mr. and Mrs. William Hoffman, Northfield, at a dinner party at their home, on Saturday, Nov. 12.

Mrs. Ray Rathmann, Antioch, who was a District Director of the American Legion Auxiliary in 1961-62, attended a reunion of the "Double R's" in Morris, Ill., on November 5th and 6th.

The "Double R's" is composed of the 25 District Directors, who had served the same year as Mrs. Rathmann, and also, Mrs. Charles Shaw, Paxton, Illinois, who was Department (state) President, at that time. Mrs. Shaw is now serving her second year as National Americanism Chairman.

Ten Past-District Directors and Mrs. Shaw enjoyed dinner at the Colonial House in Morris; then heard some fine music, played by a blind organist, at the Morris American Legion Home. They held a "White Elephant Sale" at the Park Motel, near Morris, where they stayed overnight. After a late "brunch", they all departed for their homes, with the happy knowledge that their plans for next year's reunion have already been made.

## Speaker To Discuss UNESCO At Woman's Club

Leslie L. Lewis, a representative of UNESCO, the World Health Organization, will be the guest speaker at the November 21st meeting of the Antioch Woman's Club.

The board meeting will be held at 12:15, with the regular meeting starting at 1 p.m. at the Scout House on North Main St.

Mr. Lewis first went to the Middle East in the 1920's as a volunteer worker for the Near East Relief and teacher in mission schools, at which time he learned the languages of the area. It was

this early experience which led to his appointment in the State Department.

He served with the United States Foreign Service between 1946 and 1947 as Regional Officer for the Middle East and North Africa, in Cairo, Egypt; as Cultural Attache in Beirut, Lebanon and Damascus, Syria; and as Consul in Calcutta, India, Tunis, Tunisia, and Tripoli, Libya.

Although never affiliated with the United Nations, Mr. Lewis worked as liaison with several U. N. agencies in the countries of his Foreign Service posts, including Unesco and the Food and Agricultural Organizations.

Mr. Lewis has been in educational publication work during all his working years, except for those spent in Government service. He is a Life Fellow of the American Medical Writers Association for the Advancement of Science, of the Association for Church and International Affairs and similar groups.

Hostess committee for the afternoon will be the Mesdames Lullier Lasco, George Hall, William McCaw, Elmo Edwards, Richard Elliston, E. J. Sletten, M. J. Connell, and Elmer Eberman.

## OES Elects New Officers

Antioch Chapter No. 428, Order of the Eastern Star, held its annual election of officers last Thursday following a pot luck dinner for the members.

Officers elected were Carrie Pauli, Worthy Matron; Herbert Pauli, Worthy Patron; Dorothy Kahler, Associate Matron; Elwood Kahler, Associate Patron; Hazel Parfitt, Secretary; Margaret Pincombe, Treasurer; Marilyn Lorentz, Conductress; and Susan Rayman, Associate Conductress.

The Worthy Matron-elect announced her appointive officers as follows: Pat Polsgrove, Chaplain; Marion Kleven, Marshal; Harriet Davis, Organist; Carol Robinson, Adah; Zella Larson, Ruth; Mary Bruski, Esther; Marilyn Olson, Martha; Lillian Woods, Electa; Joseph Parfitt, Warder; Walter Schreiber, Sentinel; and Harold Kleven, Color Bearer. Lillian Gaa is the chapter's instructress.

The installation of officers for the ensuing year will be December 10, at 8:00 p.m. in Wesley Hall of the Methodist Church.

Pat Polsgrove, Worthy Matron, read her report of the year and announced that there will be no meeting November 24, as it is Thanksgiving, but there will be a regular stated meeting on December 8.

### LAKEVIEW REBEKAH LODGE NO. 82

A "School of Instruction" was held at the November 16th meeting of the Lakeside Rebekah Lodge, at the American Legion Home, directed by Miss Verna Hobbler of Waukegan, District Deputy. Mrs. Charles Ferris, Noble Grand, was the presiding officer.

District Three of the Rebekahs will hold an Installation of Officers in Highland Park on November 21st. The following Lakeside Rebekah Lodge members will be retiring from these offices: Miss Evelyn Johnson as District President; Mrs. Arland Clark, Right Supporter to the President; Mrs. Clarence Perkins, Left Supporter to the President; and Mrs. Harold Ellis, as District Chaplain.

At the recent District Three meeting, held in the Antioch Legion Home, the Antioch Odd Fellows Lodge No. 723 were hosts. Grand Master B. Grolin of Kewanee, Ill., was guest of honor. Mr. Fred Roscher, Highland Park, was the presiding officer. This meeting was well attended by Odd Fellows from many Northern Illinois communities. Harold Dunn of Antioch is Noble Grand of the I.O.O.F. Lodge No. 723.

## Schedule Girl Talk Workshop

Good grooming will be the subject at the "Girl-Talk" workshop to be held November 19 at the Fairgrounds Administration building for all girls who are 4-H members. The workshop will start at 1 p.m.

Mrs. Marjorie Robbins, Assistant Home Adviser, states that an exciting day will be had by members and leaders. Some of the subjects to be discussed will be hair and skin care, make-up, posture and clothes.

Mrs. Dan Maras, a professional model and 4-H leader, will be in charge of modeling techniques. Mrs. Jerry McMillan will plan and narrate a fashion show and skills on good grooming.

## Skating Party To Fill Holiday Food Baskets

A skating party at the Lake Region Roller Rink on Friday, Nov. 18, will supply food baskets for needy families at Thanksgiving.

The skating party is sponsored by American Legion Post No. 748 of Antioch. It will start at 7 p.m. and admission will be two cans of food.

Those who forget to bring canned goods will have to pay the regular admission price. The cash will go toward purchasing perishables for the baskets.

Both adults and children are invited to the party. Co-chairmen of the affair are Jim Ferrier and George Ott. The Legion distributes the food baskets each year at Thanksgiving. Names of needy persons are supplied by local churches.

Mary Stefanski and Lee Craner, co-chairman of this year's Science Fair at Antioch High School, discuss arrangements for the Fair with local Grade School teachers. Left to right, Mary Stefanski, Lee Craner, June

Shaw, teacher of the 7th grade at Lake Villa Grade School, and Gloria Grippando, who teaches 6th, 7th and 8th grade science at St. Peters School.

Students and teachers discuss a possible Science project at the preliminary meeting for the Science Fair. Left to right, Don Strickler, teacher of 8th grade Science at Lake Villa, Linda Soland, 8th grade at Lake Villa school and Wendy Rowley, 7th grade student at Lake Villa school.

## Start Planning For A.C.H.S. Science Fair

Plans for the 1967 Science Fair at Antioch Community High School got under way at a meeting at the high school last Wednesday.

William Seemann, Science teacher at the high school, invited representatives from all the grade schools in the high school district to attend the meeting. Teachers from Lake Villa Grade School, Prince of Peace and St. Peter's were present.

The preliminary meeting is held to offer teachers guidance and help in working with their students on Science Fair projects, and to consider any suggested improvements to the local Fair.

Mr. Seemann offered grade school teachers the use of any material, research, etc., available in the high school science department.

Mary Stefanski and Karen Walker are co-chairmen of this year's Fair, with Lee Craner, last year's chairman, helping them out.

The yearly Science Fair, started in 1957 by Mr. Seemann, will be held on March 15, 1967. First place winners go to the District Science Fair at Wheeling High School on April 1. Winners at the District level go to the Illinois Junior Academy State Exposition at the University of Illinois on May 12 and 13.

Since its start, 2,070 students have taken part in the Antioch High School Science Fair, and 1,357 projects have been shown. Seemann estimates that 5,000 people from the Antioch area have visited the Fair. Sixty-seven projects from ACHS have gone to the North Suburban District Science Fair; twenty-two of these have taken a First place and gone to the Science Fair at Champaign.

At the State level, two projects have received a third place; three won a second, and sixteen received firsts, with one receiving an Outstanding. Glen Oftedal was the winner of the Outstanding.

There are only two schools in the Northwest Suburban

Conference which belong to the Academy; they are Antioch and Lake Forest.

Total entries in last year's Fair were 160. They were judged by 43 judges.

At the Antioch High Science Fair last year, six students from Lake Villa Grade School took firsts with their projects; two students from ACHS took firsts, and Prince of Peace had one first place.

At the District level, there were five firsts from Lake Villa Grade School; two from ACHS and one from Prince of Peace.

At the State level, Lake Villa last year had one outstanding; two first and one

third; Prince of Peace had one first.

For the last three years, the State Bank of Antioch has donated two \$25 bonds to Science Fair winners, one to the best junior high project and one to the best senior project.

Seemann said that the reason for the Science Fair is to stimulate the pupil's interest in Science. The Fair gives them the opportunity to pursue some aspect of science that intrigues them. The teacher has an opportunity to place an incentive before the more capable student.

Hospital, for 60 men patients. The meeting was then turned over to Commander Bernard Stadick of Post No. 748 who presented several citations.

**MY NUNS**

When I look into the face of a Nun  
'Tis a face of an angel I see.  
For my little heart they have won  
And it's what I someday want to be.

They have love and a prayer for everyone  
No matter who you are.  
They spread faith like the rays of the sun.  
The Nuns are sure my glittering star.

If Jesus lets me live to be eighteen  
And then calls me to be a Nun  
My heart will sing and eyes will gleam,  
To become a truly chosen One.

Yolanda Maria Holtz

Earlier darkness at this time of the year requires extra driving caution, says the Chicago Motor Club. Good drivers compensate for early darkness dangers by reducing their speed, especially in residential areas.

### Legion Auxiliary

By Del Jahneke

Approximately 75 Antioch Legionnaires, Auxiliary members and guests were present at the Veterans Day Dinner Party, held in the Antioch Legion Home on November 11th. Highlight of the evening was the presentation of awards by Commander Bernard Stadick to several Antioch residents.

After a roast beef dinner, the Antioch American Legion Auxiliary held a brief meeting, with Mrs. Ray Rathmann, President, as the presiding officer.

Americanism Chairman Mrs. Lester Zitkus announced that the theme for the year was "Promote Americanism Today for a Safe Tomorrow." The Antioch Unit voted to send in their \$3.00 contribution to the New Citizens' Reception.

Mrs. Walter Hills, Unit Child Welfare Chairman, asked that the Unit pay their Child Welfare Pledge of \$18, as part of the Child Welfare program, and this was accomplished. Mrs. John W. Horan, Unit Rehabilitation Chairman, stated that the Antioch Auxiliary will sponsor a Monday evening party, on November 21, at Downey

## AARP Plans Xmas Party

The monthly meeting of the Antioch Chapter No. 387, of the American Association of Retired Persons, held in the Community room of the Antioch Savings and Loan building last week Tuesday was attended by 41 members.

During the short business session, a report was given by the newly elected vice-president, Bebece Lassen, who selected her program committee as follows: Ruth Carlson, Rose Guida, Harriette Pirson, Lena Messing and Ruth Tidmarsh. Their first activity will be a Christmas party for the Chapter on December 13, with a noon pot-luck. A short program with Santa Claus, Christmas Tree and grab bag will follow. Each person should bring a gift not to exceed \$1.00 for the grab bag, ladies for ladies; gentlemen for gentlemen.

Lorna Buchert, in charge of serving refreshments, introduced her assistants for the day: Victoria Anetsberger, Lillian Forster and Mary De Vos.

The program for the November 22nd meeting will be the showing of colored movies, "A Tour of Yellowstone Park" from the A.A.R.P. film library and "The Greatest Show on Water," a film taken in Florida.

Those retired or in the semi-retired bracket are welcome to attend as guests.

### CELEBRATE 43RD ANNIVERSARY

By Mrs. Bernice Bernau

Mr. and Mrs. Alfred H. Schreiber, 1521 Lee Dr., Antioch, celebrated their forty-third wedding anniversary with their daughter, Mrs. Richard (Violet) Dumfrund and her family in Saminack, Ill. The happy occasion was on November 11. The Dumfrunds have three children, William 20, Babette 16 and Carl 13. William enlisted in the army a little over a year ago, and has been in Viet Nam for the past six weeks. They haven't heard from him lately, and are anxiously waiting for word. His wife, Beverly, lives with the Dumfrunds.

The Schreibers also have another daughter, Mrs. Philip Johnson in Chicago. She also has three children.

## Announce Marriage

Mr. and Mrs. Marshall G. Haydon of Antioch announce the marriage of their daughter, JoAnne, to Mr. William Sleen of San Francisco, California, on October 30. The young couple will make their home in San Francisco.

We suffer a good deal more by getting angry than the person with whom we are angry.

and then parents will have an opportunity to visit their child's room and hear first hand the program being offered to their children. Refreshments will be served afterwards.

## MOOSE TOPICS

By Lillian Birdsell

The opening days of the pheasant hunting season were well attended by the members of the newly organized hunting club of Antioch Moose Lodge as stated by Scotty Birdsell, chairman of the club. The weather man cooperated and provided the rain that was needed to improve the dry condition of the ground, which was a good sign for the bird hunters. Nov. 11 marked the opening day for pheasants and the hunters have till Dec. 11 before the season closes.

A prize will be awarded to the hunter who submits the longest tail feather to the club. A meeting for the members of the hunting club will be held at the Moose Home on Sunday, Nov. 20, at 2:30 p.m.

Fifteen members attended the Legion get-together and pot luck held at the Moose Home on Sunday, Nov. 13. It was decided that the Xmas get-together would be a pot-luck on Saturday, Dec. 10, at 8:00 p.m.

A business meeting for the W.O.T.M. will be held at the Antioch Moose Home Thursday, Nov. 17, (tonight), at 8:00 p.m. The Friendship committee has planned a penny social for the evening. Collegian Alice Young wishes to remind the members who have birthday gifts for the Sunshine child, Velma Blaney of Mooseheart, to bring them to this meeting. A trip to Mooseheart is planned for Sunday to deliver the gifts.

A men's style show will be held at the Wauconda Moose Lodge Saturday evening, Nov. 19, put on by the members of the Antioch Moose.

An enrollment for new members for the Loyal Order of Moose will be held at the Antioch Moose Home, Sunday morning, Nov. 20 with the serving of breakfast. Serving will start at 8 a.m.

A meeting for the Loyal Order is scheduled for Wednesday evening, Nov. 23, with the serving of the birthday dinner to follow. All members having birthdays in the month of November will be honored at this dinner.

Scotty Birdsell will be chef for the fish fry Friday evening, Nov. 18, and Bob Pedersen is scheduled for Friday, Nov. 25. Serving is from 6 to 9 p.m.

There were 25 members in attendance at the 3rd District meeting held at the McHenry Moose Lodge in McHenry Sunday morning, Nov. 13. Following the serving of breakfast, Walter Malinoski, vice-president of the 3rd District, opened the meeting with the roll call of lodges. Represented lodges at this meeting were Antioch, McHenry, Woodstock, Wauconda and Zion - Benton. Those present from Antioch were Jr. Governor Seth Mark, secretary, Arthur Andersen and Mrs. Andersen, Collegian Gerry Mark and Senior Regent Lillian Birdsell.

Mr. Malinoski announced that the chairmen's chairs have been filled and that reports should be available at the next 3rd District meeting, which is scheduled for Jan. 18, at the Harvard Moose Home at 8 p.m.

A request was made for all lodges who would like to be host for bowling to be submitted by January so plans can be made well in advance. A second request was for lodges to submit their dates for the 3rd District meetings, also by January, so the calendar can be prepared for the coming year. No date was set for a December meeting due to the Christmas holiday.

It was announced that the North Chicago Moose Lodge has been merged with the Waukegan Moose and that North Chicago Moose was no longer in existence.

Mr. Malinoski then spoke on the membership drive that was pledged by the Illinois Moose Association and stating that it was some quota to meet, asked what the different lodges had planned to interest new members, and what suggestions they had to offer.

The 3rd District Vice-president's dinner which is annually held in the month of February, is in the process of being set up at this time. The date and time will be an-

## ACHS Counselor At Naval Academy Briefing

Charles Lindholm, Antioch Community High School Counselor, has just returned from a three-day orientation program, expressly designed for high school educators at the U. S. Naval Academy in Annapolis, Maryland.

Mr. Lindholm, of Fox Lake Hills, was one of 66 educators from the Chicago area invited by the Naval Academy to participate in the program. They were accompanied by Commander Merrill W. Schultz, USNR, a Naval Academy's Superintendent, Rear Admiral Draper L. Kauffmann, USN; Dean of Admissions, Dr. William G. Shields; and the Candidate Guidance Officer, Commander Augustus B. Cheatham.

The briefings, centering around the entrance requirements and curriculum, also explained the Academy's "academic revolution" which has resulted in a modernized and expanded curriculum suitable to the Nuclear Age; a broad program of electives for Midshipmen; and a strengthening of faculty standards.

The educators were invited to Annapolis under the Academy's "Blue and Gold" program, which was instituted to give high school educators greater insight into counseling prospective candidates to the Naval Academy in their hometown areas.

During the 1966-67 academic year, more than 1000 educators from throughout the United States will participate in the program. Each of the educator groups are accompanied by selected Naval Reserve Officers who serve as Naval Academy Information Officers in their home communities.

## Land Bank Elects New Director

St. Louis, Mo. The Federal Land Bank Associations in Illinois, Missouri and Arkansas have elected Henry Ruebusch, Selata, Illinois, to the board of directors of the Farm Credit Banks of St. Louis. Mr. Ruebusch will begin his term January 1, 1967, and will serve for a three-year period.

Mr. Ruebusch owns and operates nearly 1100 acres. He personally operates 280 acres and feeds approximately 300 head of cattle and 1500 head of hogs. In partnership with a tenant on the remaining 800 acres, they feed out approximately 200 head of cattle and 1200 head of hogs each year.

Mr. Ruebusch received his B.S. degree in animal husbandry from the University of Illinois and a M.S. Degree in animal husbandry from Iowa State University.

This Illinois farmer is currently a director of the Federal Land Bank Association of Macomb, a post he has held for 20 years. He is also a member of the County Board of School Trustees of McDonough County, is a member of the McDonough County Farm Bureau and a member of the Production Credit Association.

## DEATH NOTICES

### THOMAS R. CASSIDY

Thomas R. Cassidy, 77 years old of Camp Lake Gardens Subdivision near Trevor, Wis., passed away at 3:45 p.m. Thursday, Nov. 10, in St. Catherine's Hospital at Kenosha after 6 years of illness. He was born Sept. 21, 1889 in Louisville, Kentucky, and had resided in St. Louis, Mo., and Chicago before moving to Trevor in 1954.

Mr. Cassidy was a retired pressman, having worked for 32 years for the Webb Press in Chicago. He held membership in Webb Pressman's Union Local 7 in Chicago as an honorary member. He was a member of Holy Name Church in Wilmet.

Mr. Cassidy married Mary Anderson in Chicago on Sept. 12, 1923. Survivors are his wife Mary; three sons, Robert Cassidy, Aurora; Thomas J. Cassidy, Hinsdale; David Cassidy, Chicago; two daughters, Mrs. George (Celeste) Lindstrom, Chicago, and Mrs. Charles (Therese) Fehling, Hinsdale; a brother, James Cassidy, Los Angeles, Calif.; four sisters, Mrs. Bert (Anna) Bae) Marschall, Los Angeles, Calif.; Mrs. Florence Wirth, Pasadena, Calif.; Mrs. Verna Bell, Pasadena, Mrs. Fred (Kathryn) Marth, Los Angeles, 21 grandchildren and 2 great-grandchildren.

Funeral services were held at 10:30 a.m. Saturday, Nov. 12, from the Strang Funeral Home in Antioch to Holy Name Church at Wilmet at 11 a.m. for a mass. Interment was in Holy Name Cemetery at Wilmet. A rosary was recited at 8 p.m. on Friday at the funeral home. Friends called after 3 p.m. on Friday at the funeral home.

### JOSEPHINE A. DRISCH

Mrs. Josephine A. Drisch, 66, of North Shore of Loon Lake, passed away Wednesday, November 16 at Victory Memorial hospital, Waukegan, following three years of illness.

She was born November 2, 1900 in Chicago, residing there until moving to Antioch permanently 14 years ago. She had spent her summer months at Loon Lake since 1934. She was a member of St. Peter's church. Her husband, Edward Drisch,

preceded her in death August 16, 1966.

Survivors are a son, Richard Landau of Kenosha, Wis.; a sister, Mrs. Florence Witt of Rochester, N. Y.; and three grandchildren.

Funeral services will be held at 9:30 a.m. from the Strang Funeral Home to St. Peter's church at 10 a.m. Friday, November 18. Interment will be in the family lot. Friends may call at the Strang Funeral Home after 1 p.m. Thursday. Masses would be appreciated.

### MRS. MARTHA K. JENSEN

Mrs. Martha K. Jensen, 87 years old of 509 Naber Ave., Antioch, passed away on Saturday, Nov. 12, at 3:00 p.m. in Victory Memorial Hospital following a two years illness. She was born Oct. 28, 1879 in Thisted, Denmark, and came to America in 1890 to reside in Chicago until moving to Antioch in 1909, where she and her husband, Nels Spangard farmed until his death in 1919. She married Mike Jensen in 1928 and he passed away in 1941. Mrs. Jensen was a member of the Antioch Methodist Church and the W.S.C.S. of that church.

Survivors are a son, Frank C. Spangard of Antioch, two daughters, Miss Marion Spangard, Antioch, and Mrs. Mary Jane McBreen, North Chicago; two brothers, Fred Sorensen, Kenosha, and Sam Sorensen, Chicago; three grandchildren and four great-grandchildren.

Funeral services were held at 2:00 p.m. Tuesday at the Strang Funeral Home in Antioch, where friends called after 4 p.m. Monday. Rev. Donald Cobb of the Antioch Methodist Church officiated. Memorials may be given to the Antioch Rescue Squad or the Antioch Methodist Church.

### LILLIAN E. LUBNIEWSKI

Mrs. Lillian E. Lubniewski, 50 years old of Lake George, near Bristol, Wis., passed away suddenly at 3:00 p.m. Saturday, Nov. 12th, at her home. She was born Dec. 21, 1915, in Bristol Township and had resided in Kenosha for 20 years before moving back to Bristol in 1941. She had worked for 25 years for Coopers in Kenosha and retired from this occupation four years ago. She was a member of the Covert Club of Coopers. Her husband, William Lubniewski preceded

her in death on August 6, 1964. Survivors are her parents, Peter and Elizabeth Petersen of Bristol, a brother, William Petersen, Kenosha, and a sister, Mrs. Victor (Helen) Kelps of Kenosha, Wis. Funeral services were held at 11 a.m. on Tuesday at the Strang Funeral Home in Antioch. The Rev. Carl W. Bloedow of the Bristol Methodist Church officiated at the services. Interment was in Hosmer Cemetery near Bristol.

### ROBERT F. DUHA

Robert F. Duha, 59 years old of Beach Grove Road at Bluff Lake, near Antioch, passed away suddenly at 5:30 a.m. on Monday, November 14, at his home from a heart attack. He was born Sept. 30, 1907 in Chicago and resided there until moving to Antioch in 1953.

He was a member of the Summerdale Congregational church but had been attending the Antioch Methodist Church since living at Antioch. He was a past master of Herter Lodge No. 669 A. F. & A. M. in Chicago, Medinah Temple of the Shrine—Lake County Shrine Club, Chain O' Lakes Shrine Club. He had previously worked for the Pullman Co. as an inspector from 1934 until 1955, and since that time has been employed as plant manager in charge of Maintenance at Allis Chalmers Co. in Deerfield. He married Ruth Hall in Chicago on June 1, 1935.

Survivors are his wife, Ruth, a son, Robert J., two daughters, Susan H. and Mrs. Janice M. Steltz, his mother, Mrs. Elsie Duha, and four grandchildren, all of Antioch.

Funeral services were held at 2 p.m. Wednesday at the Strang Funeral Home in Antioch. Masonic services were held at 8:00 p.m. Tuesday at the funeral home. Interment was in Ridgewood Cemetery at Des Plaines, Ill. Those desiring may make donations to the heart fund.

### MRS. CORA E. GARVIN

Mrs. Cora E. Garvin, 88 years old of Crooked Lake Oaks Subdivision near Lake Villa, passed away at 6:15 p.m. Sunday, Nov. 13, in the Terrace Nursing Home at Waukegan, after a two month illness. She was born March 10, 1878 in Menominee Michigan, the daughter of Robert and Margaret Blund-

den. She had moved to Chicago, then back to Menominee, and back to Chicago before moving to Lake Villa in 1955.

She had attended the Menominee Presbyterian Church while living in Michigan. Mrs. Garvin held membership in the Menominee Chapter 284 Order of the Eastern Star. She has been employed for 20 years at Goldblatts State Street store in Chicago as a saleslady until her retirement. Her husband, Martin J. Garvin, preceded her in death in 1924, as well as two sons, one daughter, two brothers, and one sister.

Survivors are a son, Robert W. Garvin of Lake Villa, one nephew, Robert Blunden of Menominee, Mich., seven grandchildren and nine great-grandchildren.

Funeral services were held at the Strang Funeral Home in Antioch Wednesday at 1 p.m. Rev. L. H. Messersmith of the Millburn Congregational Church officiated at the service. Interment was in Home Oak Cemetery near Lake Villa.

### JAY O. CLARK

Mr. Jay O. Clark, 58 years old of Lake Avenue at Channel Lake near Antioch passed away suddenly at 8:30 p.m. on Thursday, Nov. 10, at the J & M Grocery store which he had purchased several months ago. He was born October 31, 1908 in Chicago, and had operated a laundromat at St. Charles, Ill., before moving to this area.

His only survivors are an aunt, Mrs. Alice Taylor of Beach Grove, Indiana, and several cousins.

Local arrangements were made by the Strang Funeral Home in Antioch. Interment will be in Spring Lake Cemetery at Aurora, Ill.

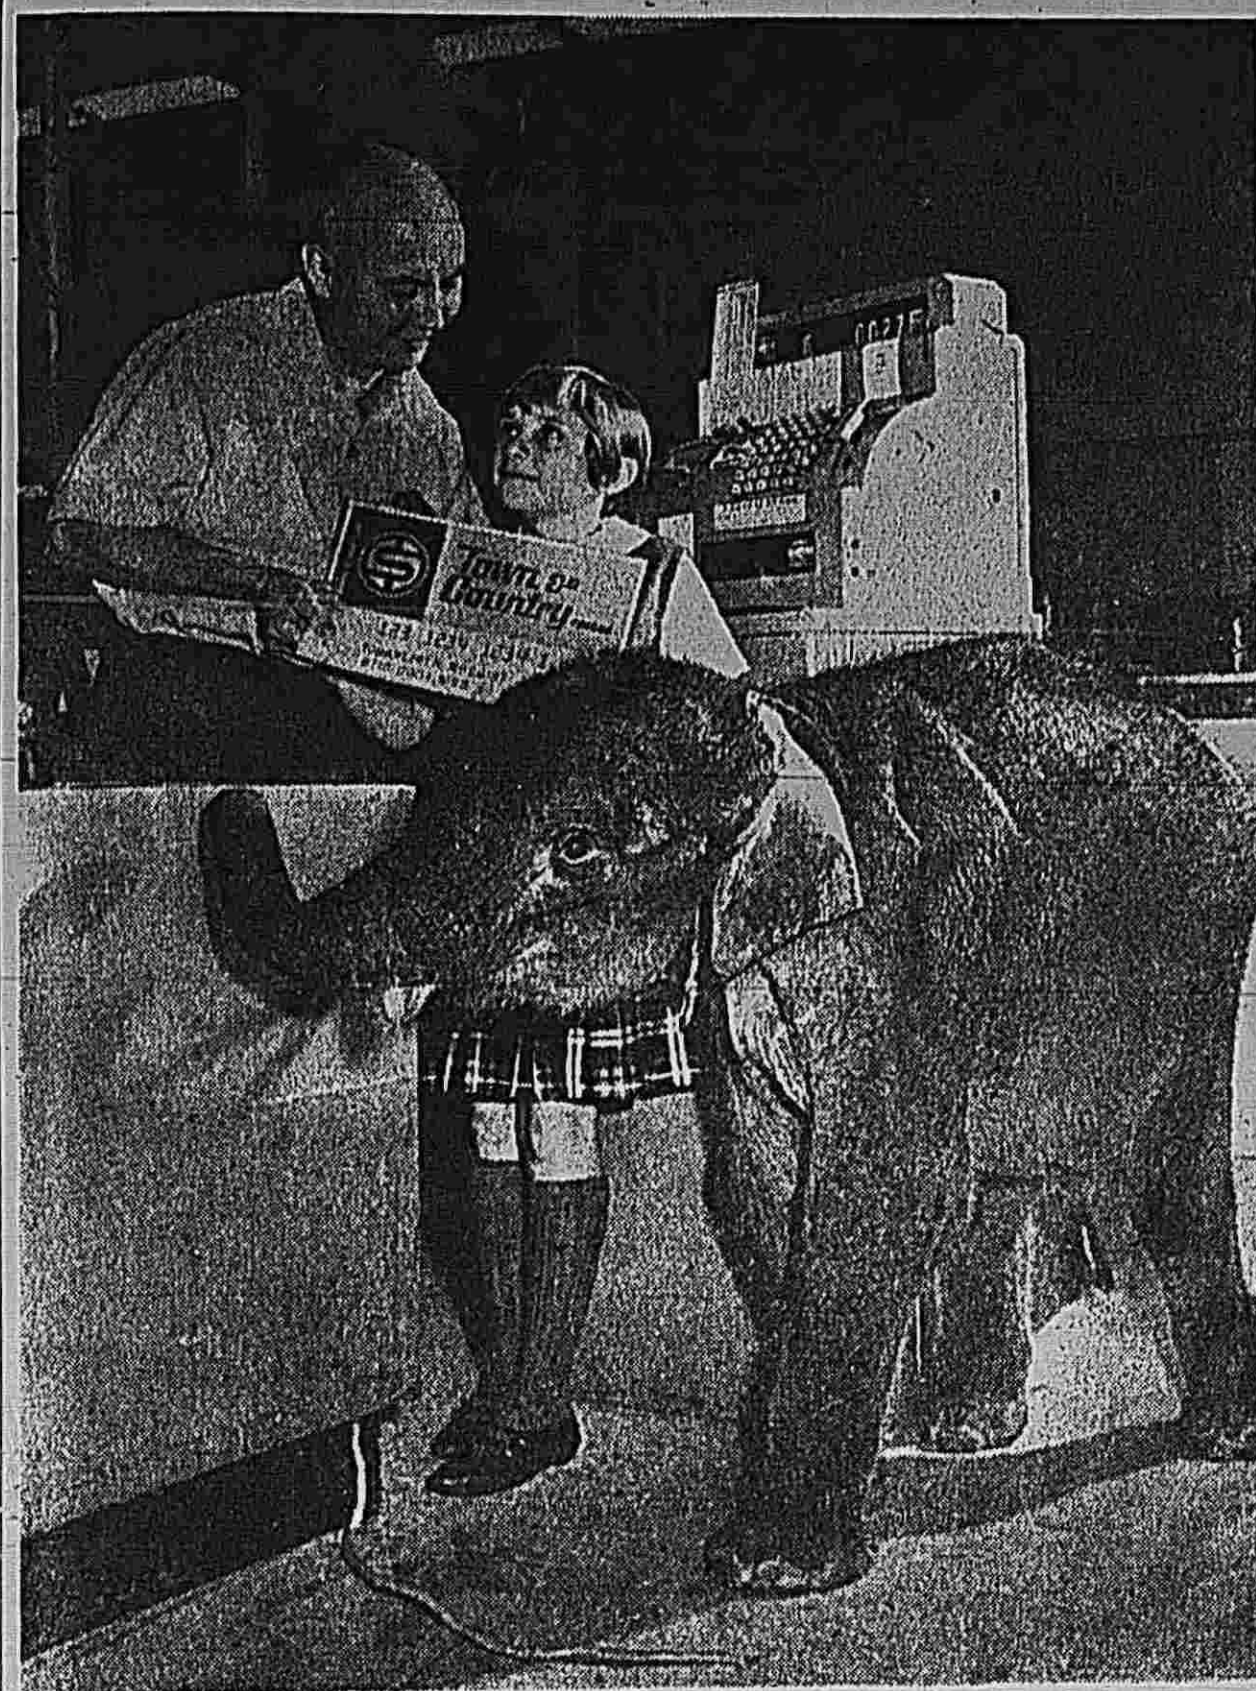

## Board Struggles.....

(continued from page 1)

warning tickets, as yet, and that the cars in question had probably been ticketed at some earlier time.

### WATER MAINS

The board approved extending a water main from Westgate subdivision to run past two vacant lots, looping the line, with the provision that owners of the lots pay \$325 each for the mains if

A BIG BARGAIN! When 200 Illinois banks distributed their new all-purpose Town & Country charge cards to 1 1/2 million people throughout the state, 9-year-old Cindy Kasza tried out a king-size card to see if it would purchase Audry, a baby elephant at Animal Kingdom, Chicago pet shop. "Don't bother wrapping it," Cindy tells owner Bernie Hoffman, one of thousands of Illinois merchants honoring the new charge system. In this area, the plan is being sponsored by The State Bank of Antioch.

the property is built on. The lots are on Crest Lane.

The board approved the appointment of Walter DeLaney, Jr., as a member of the Fire Department.

Jim Ferrier, of the Lake Region Roller Rink, asked permission to extend the closing hour of the rink for New Year's Eve from 11:15 p.m. to 12:30 a.m. The request was approved.

A request for the purchase of a filing cabinet and racks for plans for the office at the village garage, at a cost of about \$90 was approved. Mayor Ray Toft said that the old pump house had been moved to the garage property by George Palaske, at no cost to the village, and remodeled into an office for Superintendent of Public Works Edgar Simonsen.

Trustee Robert Wilton, chairman of the License committee, reported that the committee recommended that request of liquor stores for an extension of open hours be denied. The stores had asked that they be allowed to sell package liquor from 9 a.m. to noon. Present ordinance forbids its sale between October 1 to May 1. The board approved the recommendation.

Mayor Ray Toft announced that of the 25 Oakwood Knolls residents who have have not yet hooked into

sewers or paid the fees, 18 have agreed to hook in in the near future.

Seven property owners have not contacted the board in any way, Toft said. Of these, two houses are vacant and the owners cannot be located.

Attorney Ed Jacobs was instructed to draw up a letter warning the five who can be reached that legal action will be taken at the next board meeting if some response is not forthcoming.

Attorney Jacobs announced that as the hearing on the matter of the contested Lorenz water bill had been set for a date in the future, Lorenz's attorney had submitted

payment of water bills to date following the controversial bill.

Mayor Toft asked that an unnamed street in the village be named Cunningham Drive. The board approved the motion.

Respiratory diseases take a toll in America that would not have been believable a few years ago. Some of the basic reasons are said to be air pollution and increased cigarette smoking. Tuberculosis Associations use Christmas-Seal Campaign funds in the fight against R.D. (respiratory disease).

WE ALSO HAVE A COMPLETE LINE OF STATIONERY, BUSINESS CARDS, ETC. COME IN TO SEE US FOR ALL YOUR PRINTING NEEDS.

When you love your work, it shows.

And we love our work. So much that we couldn't bear to stop with the slickest-looking split grille ever to grace a Wide-Track. (Or any other car, for that matter.)

We went ahead and made the windshield wipers disappear. The car not only looks cleaner, but the wipers are less subject to icing and freezing, too.

Then we got rid of the vent windows on all Grand Prix hardtops. We replaced them with nifty monograms and a flow-through ventilation system.

We even designed a rather unique hood-mounted tachometer

option that's available on all Pontiacs. As are our other new options like stereo tape and stereo radio.

And, of course, our handsome interiors have to be seen to be believed.

All Pontiacs have standard safety features that include a dual master cylinder brake system with warning light, outside rear-view mirror, and GM's energy absorbing steering column.

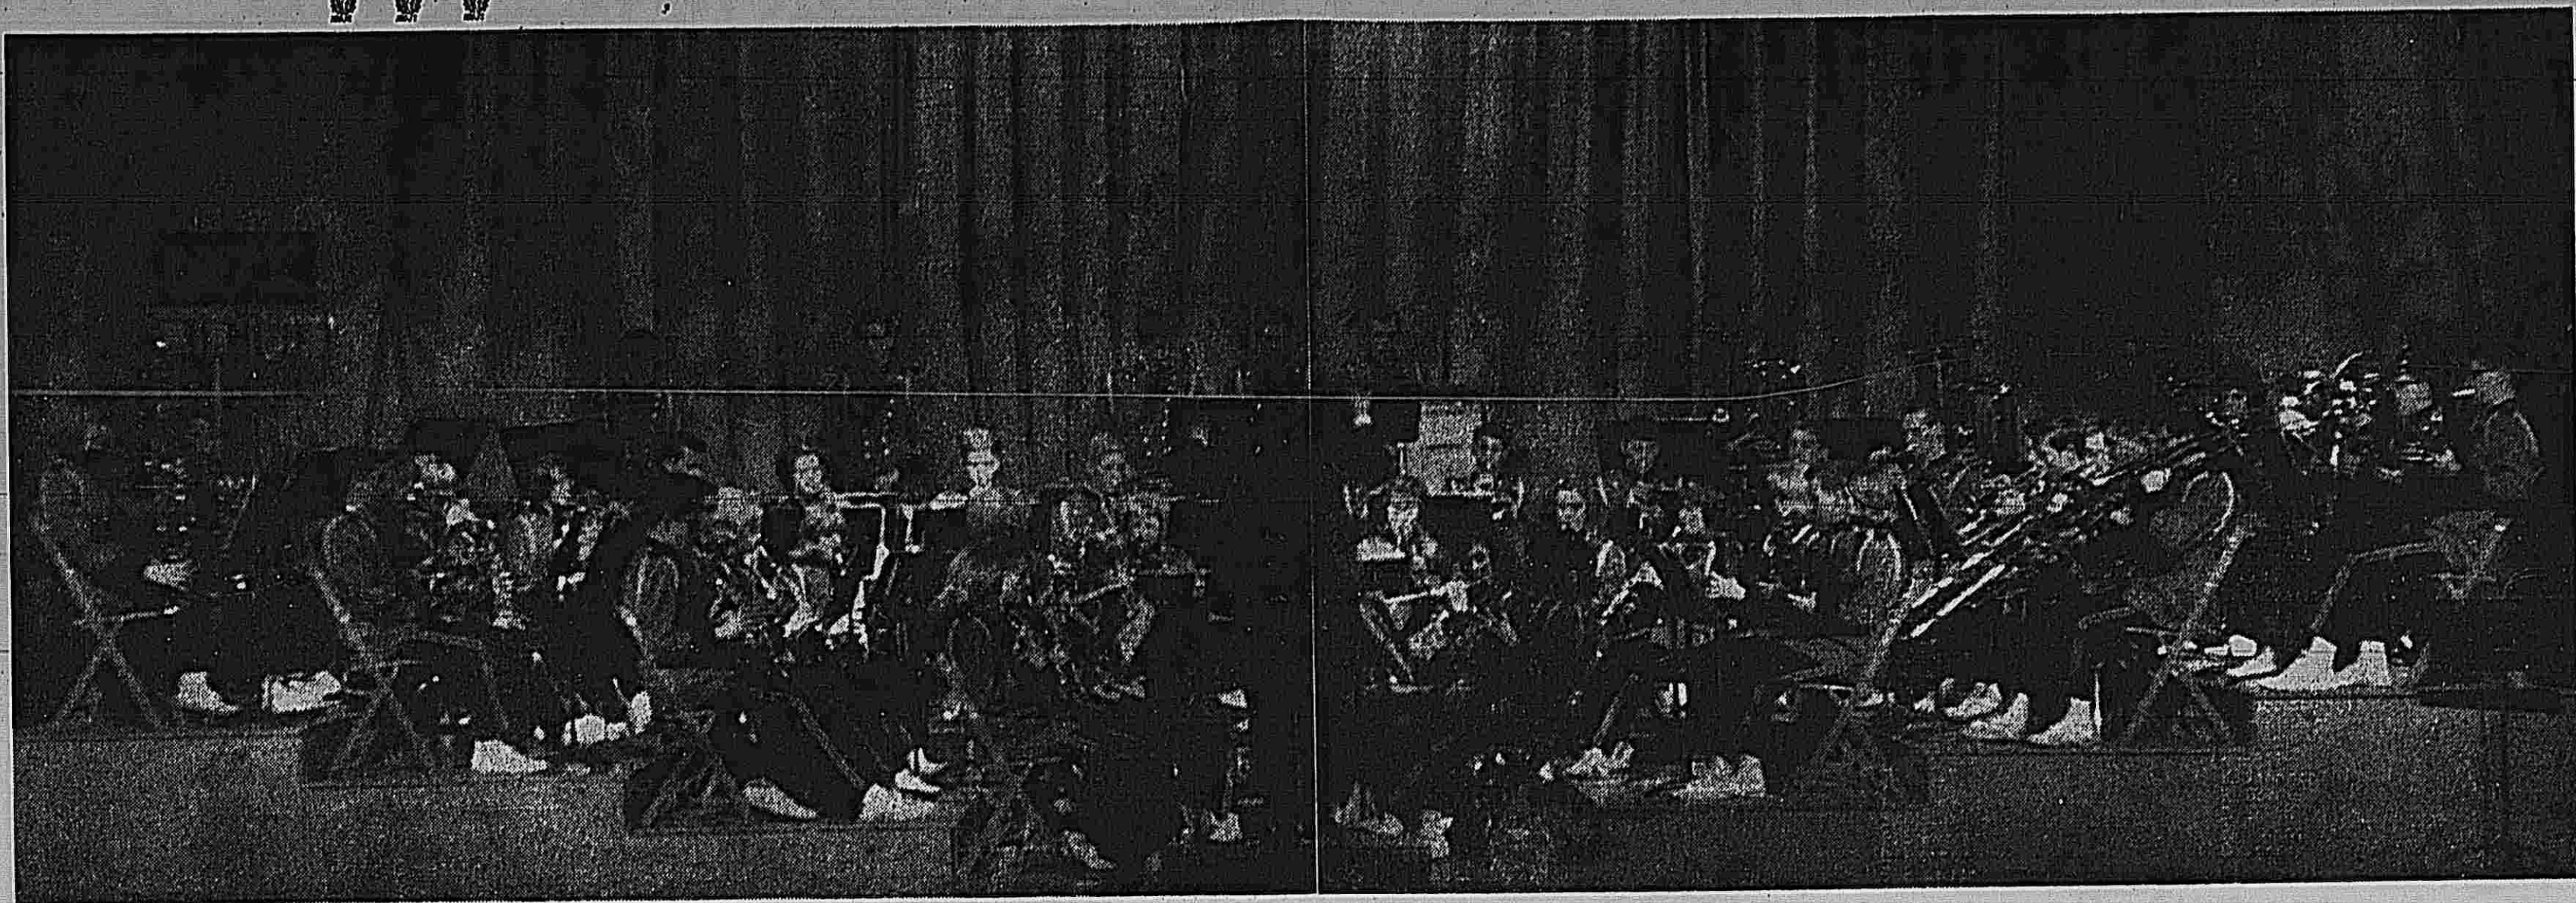

Isn't it time you decided to see your Pontiac dealer? If you love our work the way we do, it's the least you can do.

966 Victoria Street, Antioch, Illinois

The 1966 Sophomore football squad. First row, left to right, Denny Pleviak, Fred Koch, Don Gao, Tim Wells, John Meyer, Paul Lulofs, Wilford Wells, Second row, Manager Dave Toft, Mike Tulumello, Terry Triplett, Bob Sheldon, Alan Elliott, Don Koenig, Jim Carlson, Ralph Zanc, Manager Bob Westoff, Back row, Assistant Coach Ken Merrill, Manager Jim Dalgaard, Fred Zall, Charles Hollecker, Don Effinger, Steven Owens, Bill Dow, Jimmy Shore, Mike Patterson, Jerry Martin, Coach Andrew Hauptman.

The soph linemen had plenty of beef to stand firm against the onslaught of the opponents, and should be likely candidates for next year's squad. Left to right, Mike Patterson, 175 lbs.; Don Effinger, 210 lbs.; Bill Dow, 242 lbs., and Charlie Hollecker, 230 lbs.

Four members of the regular soph squad. Left to right, Jimmy Shore, Tim Wells, Don Gao and Freddy Koch.

Key men on the Soph squad, the backfield, left to right, Jerry Martin, Steve Owens and Ralph Zanc.

# Soph Gridders Wrap Up Good Season; 6-2

Antioch Community High School's Sophomore football team closed its season on a happy note on Saturday, November 5, with a one point victory over Lake Zurich, 7-6. This was the fourth one point victory of the season for the team. The Sophomores ended the season with a 6-2 record, good enough for second place in the conference standing. The season's scoring record follows:

Antioch	Opponents
20 St. Mary's	6
7 Grant	6
27 Lake Forest	27
14 Round Lake	25
17 Wauconda	13
24 Grayslake	0
7 Warren	6
7 Lake Zurich	6

Leading the touchdown parade was Jerry Martin with 6 TD's, followed by

Steve Owens 4, Ralph Zanc 3, Terry Triplett 1, Fred Koch 1, John Meyer 1 and Jim Shore 1.

Because of the high winds that seemed to plague almost every Saturday game, the would-be potent passing attack never really materialized. Instead, the team relied on ball control and a slashing ground game led by Martin, Owens, and Zanc. Conditioning and the ability to out-smart and out-manuever the opponents were also important factors in the team's success.

An outstanding feature of the team was its spirit and desire to win. Even though the bench strength was limited, every reserve when called on to fill in, reached back and found some extra talent.

Repeatedly during the season, the team, on the brink of defeat, would rally and pull the game out of the fire. Coach Hauptmann stated that considering the loss of key players through transfers, injuries, and for other reasons, this record was a very commendable one.

The fine job Assistant Coach Ken Merrill did with linemen contributed much to the team's success, Hauptmann said.

Thumbnail sketch of some of the players:

**Ralph Zanc:** Quarterback. A neat and deceptive ball handler, whose faking and rollouts were a joy to watch. His finest offensive game was in a losing cause against Lake Forest. In this game he gained over 200 yards from the line of scrimmage (more than three times that of Lake Forest).

**Jerry Martin:** Hard running full back. Real "take charge" guy. Did his best to

fill number "44" so popular in Antioch in the last three years. Led the team in scoring and yards from scrimmage. Fine corner line backer on defense.

**Steve Owens:** Half back and quarter back. Slashing runner, who always gave it that second effort. Opponents found him difficult to stop unless they paired up on him.

**Fred Koch:** Half back and end. Moved from center to new positions, because of player shortage. Excellent blocker and sure tackler. Turned in many a fine game from his corner linebacker position on defense.

**Jim Carlson:** End. Led the team in pass receptions. Fine defensive player, whose clutch tackles saved the game on several occasions.

**Bob Sheldon:** End and half-back. Filled in adequately on both the offensive and defensive teams. His speed carried him down under the kickoffs where he made several important tackles.

**Don Effinger:** Tackle and kicker. Extremely agile and fast. His punting often put the opponents deep in the hole.

**Bill Dow:** Tackle. Big and strong. Sturdy defensive player and could open gaping holes in the line on offense.

**Charley Hollecker:** Tackle and guard. "Jolly Charley" took great pride in spilling the opposing ball carrier for losses. Then his ready smile and quick chuckle would add to the insult of the tackle.

**Terry Triplett:** Half back and defense guard. Up from the freshman squad. His fierce tackling and desire made him a player to fear. He did not know the meaning of the word quit.

**Tim Wells:** Center. Given a chance to play because of injuries, came through in flying colors. Could be relied on to lead the offensive charge.

**Jim Shore:** Center and defensive end. Took over at end on defensive and played the position like he had invented it.

**Don Gao:** Guard and defensive end. After recovering from mid-season injuries, came back with added zeal and turned in several outstanding late season games.

**Mike Paterson:** Guard and defensive end. Solid blocker and sure tackler on defense.

**Johnny Meyer:** Quarter back and defensive corner line backer. Lived up to advanced billing as the team's best tackler. In one game he was first one down and made the tackle on three kickoffs.

## News of Lakes Sports

THURSDAY, NOV. 17, 1966 THE ANTIOCH NEWS 8

### Six Antioch Gridders In All-Conference Selections

Three members of the Antioch football team were selected on the All-conference team for the Northwest Suburban Conference — Tyrone Walls, Steve Loblillo and Don Zeman. Three Antioch players also received honorable mention—Joe Pass, Bill Sheldon and Jerry Whitson.

These were the boys selected for the perfect foot-

team by the coaches of the league: Offensive team, end, Jerry Marks, Wauconda; end, Myron Hiscoc, Lake Forest; end, Bill Lehmann, Lake Zurich; tackle, Joe Baldi, Lake Zurich; tackle, Tom Carter, Round Lake; tackle, Mike Doyle, Warren; tackle, John Chmell, Grayslake; guard, Phil Mendrella, Grayslake; guard, Steve Loblillo, Antioch; guard, Steve Andrews, Lake Forest.

to remove snow and ice from the pavement as soon as practical.

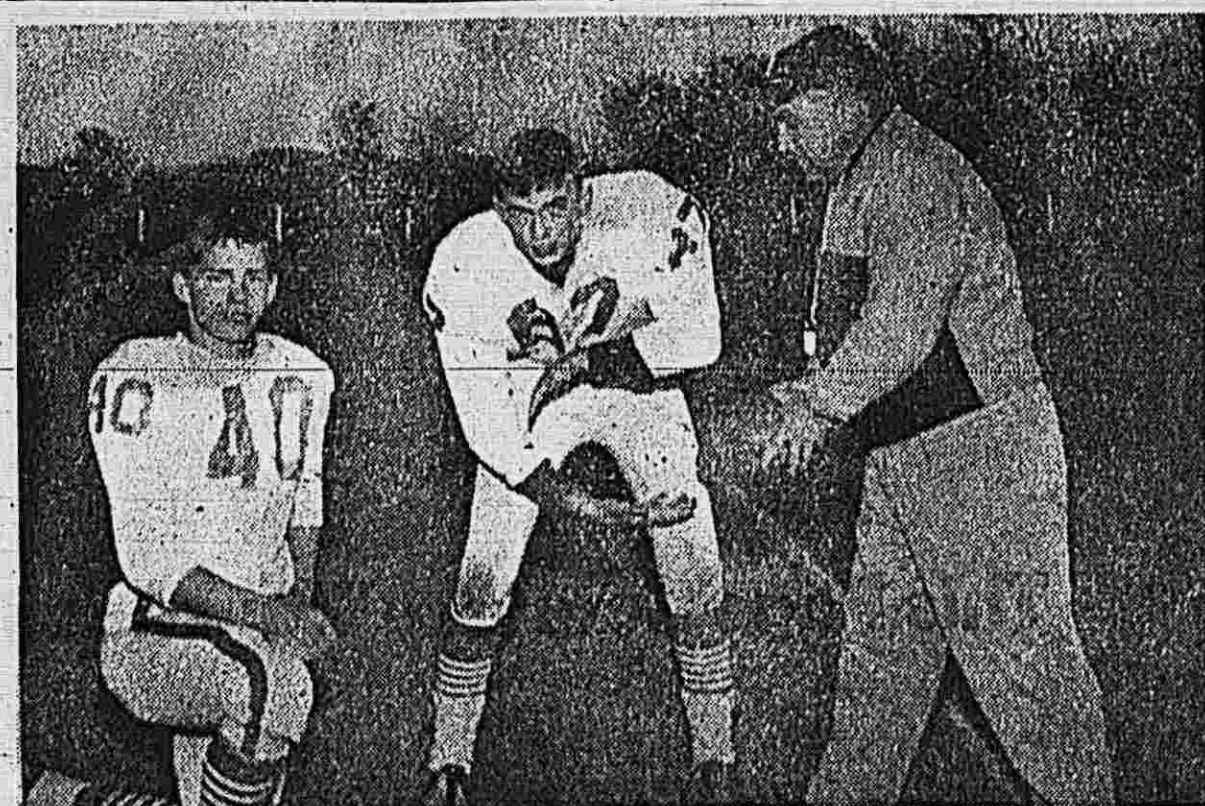

### Don't Buy Studded Tires, Warns Lorenz

Tire manufacturers were warned recently by the Illinois Department of Public Works and Buildings that use of metal studded tires on Illinois highways is illegal.

Pointing out that advertising offering the studded tires for sale has appeared in various media recently, Francis S. Lorenz, director of the department, requested that the practice be stopped.

Engineers of the Illinois Division of Highways have made tests to determine the effect of the use of metal studded tires. Results of the latest tests, conducted last spring, are being evaluated.

Under winter conditions in Illinois, use of studded tires on bare pavements will exceed their use on ice and snow, research has disclosed. It is the policy of Illinois highways maintenance crews

Assistant Coach Ken Merrill spent most of his time working on the line. Here he works with left, Terry Triplett, only freshman on the soph squad, and Jim Carlson.

### Where The Boys Are

Seaman Thomas W. Solar, the son of Dr. and Mrs. Charles Solar of Antioch, is now stationed at the Guantanamo Naval Base in Cuba. Thomas, a 1964 graduate of Antioch Community High School, studied electronics at Great Lakes.

Army Private Francis X. Prestay, 18, son of Mrs. Josephine Prestay, Bristol, Wis., completed a vehicle mechanic course at Ft. Knox, Ky., Nov. 4.

His wife, Sandra, lives in Antioch.

Quarterback Ralph Zanck gets some instructions in pigskin handling from Coach Andy Hauptman.

Not big enough for the squad yet, but ready and waiting is the Soph's mascot, Norman Hauptman, son of the Coach Andy Hauptman.

## Cage Season Opens Saturday In Antioch Gym

The first basketball game of the 1966-67 season will be played this Saturday, Nov. 19, at Antioch Community High School.

The opening game will be a non-conference game with McHenry. Starting time is 7 p.m.

Another non-conference game will follow on Wednesday, Nov. 23, at Salem Central High. The Woodstock Invitational Tournament will be held Nov. 25-26, and Antioch will host Lake Zurich for the opening conference game on Friday, Dec. 2.

Twenty-two boys reported for the first basketball practice, and on Thursday, Nov. 10, the squad was cut to fourteen boys. Six lettermen are returning to this year's squad—All-Stater Tyrone Walls, (fresh from a spectacular season on the football field); Bruce Empfield, Jim Litchfield, Bill Sheldon, Jerry Whitson and Don Zeman. Seven boys are up from last year's excellent sophomore squad—Al Alexander, Tony Barnett, Bill Blecke, Gregg Drije, Steve Miklautsch, Bill Smith and Joel Strahan. Dave Comstock, a senior, also made the varsity squad.

The Antioch team lost two regular players through graduation last year, and three top reserves. Mike Sterbenz, forward, was one of the leading scorers and rebound men on last year's squad. Tom Blackman, center, according to Coach Roger Andrews, was one of the most underrated ball players in the conference last year, exceptional on defense and did a nice job on rebounding and scoring.

Bob Schenk was one of the top reserves, good on rebounding and a good scorer; Pat Sheehan, reserve center, was strong defensively and on rebounds, and Rich Albano served also as a reserve center.

Coach Andrews summed up the squad's expectations for the coming season: "We have a great deal of experience, speed, intelligence, depth, desire and a winning habit, all assets for a good sound basketball team. We do lack height, but boys like Don Zeman, Tyrone Walls and Bruce Empfield will be hard to beat on the boards. We're hoping for a winning season—we'll give the teams in the conference a battle for the championship. I think Lake Zurich, Lake Forest, Grant and Round Lake will be the teams to beat in the conference."

"We're planning a few changes in our play," Andrews continued. "No comment on the changes—fans can see them in action at the first game Saturday, Nov. 19. We'll play our standard man-to-man defense. The boys are working hard—they have a great deal of spirit and desire."

The probable starting lineup for the first game of the season, says Coach Andrews, will be Don Zeman, 6'3½", senior, and Tyrone Walls, 6'

3" senior, at forwards; Bruce Empfield, 6'5½" junior, at center; Jerry Whitson, 5'1" senior as guard, and at the other guard, either Jim Litchfield or Bill Sheldon, both 5'1" seniors.

Here is the roster of the 1966-67 squad, with their heights and weights: Tony Barnett, 5'10", 145 lbs.; Jim Litchfield, 5'11", 145 lbs.;

Dave Comstock, 5'11", 160 lbs.; Jerry Whitson, 5'11", 160 lbs.; Steve Miklautsch, 5'11", 150 lbs.; Al Alexander, 5'10", 155 lbs.; Bill Blecke, 5'11", 165 lbs.; Joel Strahan, 6'1", 160 lbs.; Bill Sheldon, 5'11", 165 lbs.; Gregg Drije, 5'10", 170 lbs.; Don Zeman, 6'3", 170 lbs.; Bill Smith, 6'2", 185 lbs.; Bruce Empfield, 6'5½", 180 lbs., and Tyrone

Walls, 6'3", 200 lbs. Norman Hahn is Assistant Coach of the Sequoit team, and Don Francisco and Russ Barthel are the managers.

The cheerleaders for the varsity squad are Candy Benzel, Donna Dyer, Dale Collins, Donna Motley, Wendy Eberman and Glennia Burns. Christy Arndt coaches the cheerleaders.

## Xmas Mail To Be Flown To Servicemen

Postmaster Joseph Wolf of Antioch has announced that all first class mail, personal sound recordings (voice letters), and parcels weighing 5 pounds or less and measuring not more than 60 inches in length and girth combined, will be airlifted on a space available basis between the United States and all military post offices overseas.

Also, under Public Law 89-725—The Dulski Military Mail Act—which was signed by President Johnson on November 2, 1966, second class

publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airlifted from San Francisco to the armed forces serving in Viet Nam.

Postmaster Wolf explained that parcels weighing 5 pounds or less and not exceeding 60 inches in length and girth combined, paid at surface rates, will be moved by surface transportation within the United States from the points of mailing to the port of embarkation.

To speed up separation and delivery of these smaller parcels falling within this category, Postmaster General Lawrence F. O'Brien directed that all parcels be clearly marked upon acceptance at the post office with the

letters SAM (surface airlift mail).

This will eliminate the task of reweighing and measuring the parcels at the San Francisco Concentration Center prior to dispatch to Viet Nam or other overseas military post offices.

Postmaster Wolf also reminded mailers that Christmas parcels weighing 5 pounds and under, though they are given airlift priority from San Francisco to Viet Nam on a space available basis, should be mailed no later than December 1. Airmail, he said, should be sent no later than Dec. 10.

The deadline for Christmas packages weighing more than 5 pounds going to Viet Nam and other overseas military offices by surface means was November 10.

Thiele. The Antioch Free Church is located at Tiffany Road and Highview Drive, just north of Lorenz's Country House.

### Freedom Isn't Free

Thomas Paine once said: "Those who expect to reap the blessings of freedom must, like men, undergo the fatigue of supporting it." When freedom is lost, it is seldom regained. Freedom is not free. It only comes at a price and that price may be as high as life itself.

# Only electric dryers give you the same kind of gentle heat you get from the sun.

The sun, most people agree, was a pretty bright idea. Hard to improve on.

A little hard to count on, too. Which could be annoying on a rainy day to a woman with two weeks' worth of laundry fresh out of the washer.

So somebody had a bright new idea of his own—the electric clothes dryer. One that would dry clothes fast—and with controlled, flameless heat. Radiant heat, like sunshine.

Now all the little lady has to do is dial the heat she wants—electrically. No worry about scorching, harsh over-drying, fumes, combustion by-products, grayed whites, faded colors, and all like that. Just nice, clean, dry clothes for her family, that's what she's got. And she loves it.

Which gives us a certain glow of satisfaction, too. Being able to bring a little sunshine into an otherwise gray washday.

But then, that's the sort of thing we've been doing for years. Brightening people's lives—the best we can. Commonwealth Edison Company

# Christmas Mailing Hints From Mr. Zip

Airmail cards and parcels should be mailed to Service-men overseas no later than December 10 to assure before Christmas delivery.

Don't forget to use ZIP Codes on all your Christmas mail... in both the address and the return address... only you can put ZIP into your postal system.

All gifts should be packed in sturdy boxes. Cardboard boxes should be wrapped in heavy paper and tied with strong cord.

Don't let any gifts rattle around in your Christmas mail packages. Sufficient cushioning is important to give the box strength. There may be a set of encyclopedias shipped in the box on top of yours.

Each package you mail should include a slip showing the person receiving your Christmas gift and listing the contents. In case outer wrapping of package comes loose your gift will still be delivered.

In addition to articles normally prohibited in the mails, matches and lighter fluid may not be mailed to overseas military addresses.

Make sure your addresses are written or printed clearly and that they are complete. Don't let your mail end up in the Dead Letter office because your handwriting can't be read.

Gift parcels to distant States should be mailed by early December, and those for local delivery by December 15.

Don't forget that under normal conditions there is no delivery of cards and letters on Christmas Day other than Special Delivery.

Put ZIP in your Christmas mail... add ZIP Codes to the address and return address.

Greeting cards with a 5-cent stamp may be sealed and contain written messages. They are given priority in delivery and forwarding.

Remember to mark all mail which you have paid special charges with the type of handling it should get (Airmail, Special Delivery, Special Handling, etc.).

You can write DO NOT OPEN UNTIL CHRISTMAS on the outside of a Christmas package that goes through the mails. If a letter is enclosed it must be noted outside the package and first class postage should be paid for the letter, in addition to the parcel post rate.

During the week just before Christmas long dis-

tance gifts and greetings should be sent by airmail to assure on-time delivery.

You can help the post office by separating greeting cards into local and out-of-town bundles.

Check the return addresses of the people who send you gifts and greeting cards and add their ZIP Codes to your mailing list. ZIP Code your responses to them for better mail service.

Using the new Christmas stamp as postage for your greeting cards assures first-class service and decorates the envelope too.

This time of the year there are quite a few temporary postal employees delivering mail. You can help them by making sure your address number is not covered so they can easily identify your building.

Everyone at the Post Office wishes you a Happy Holiday Season and thanks you sincerely for your cooperation. Merry Christmas.

of the village, mystified his young and old audience. Approximately 100 children attended with their mothers before the meeting started, and watched with amazement while Mr. Currie tore up a newspaper, and before their eyes, opened it to a full paper. His assistant is Miss Linnea Christensen, also of Lindenhurst. His tricks received a lot of applause.

**Jr. Girl Scout News**  
The Jr. Girl Scouts of Troop 260, headed by Mrs. Lois Flanagan, visited the Libertyville Art Center last Thursday to finish earning their Arts in the Round badge. Mesdames Pat Parran, Helen Gilson, Alta Henry, Carol Sweeney and Jean Saran, co-leaders, drove the girls there.

The week before the 24 girls in the troop held their own art show for their mothers. They had on display, soap carvings, collage and ceramics that they had made. Mrs. Dougherty, first grade teacher at the Hooper School, helped them to make the ceramics at their meetings after school.

The girls have been taking skating lessons from Mr. Ferrier at the Lakes Region

Skating Rink in Antioch and will be receiving their skating badges this week.

**Where the Folks Are**  
Jerry and Carol White and their family moved to McHenry the first of the month. He is managing a brand new Piggly Wiggly there.

Spike, Pearl, Jeff and "Dad" Koekler have moved to Libertyville.

Ray, Millie, Julie and Jeanie Caldwell have moved to Waukegan. Their son, Mickey, was rushed to the hospital for an emergency appendectomy around the time they moved. He was living in Lake Villa, but will be staying with them while he recuperates.

The James-Dunne family has purchased the Koekler home. We welcome them.

**Birthday**  
Birthday greetings to Ralph and Kathy Zaneck, Stanley Sutherland, Amy Mindak, Timothy Limber and Ray Verdick.

The 104-member League of Red Cross Societies coordinates international relief efforts of the Red Cross, and helps its member societies develop their own national programs, including the training of volunteers.

THURSDAY, NOV. 17, 1966 THE ANTIOCH NEWS 10

## At Chicago Convention

Mr. and Mrs. Emerson R. Sander and Mrs. Betty Dallman, Sunshine Laundromats of Antioch and Lindenhurst, recently attended the National Coin-Op Convention in Chicago.

As coin-store operators, Mr. and Mrs. Sander are part of an industry that has 36,000 self-service laundry-drycleaning stores with annual sales of over \$800,000,000, reports the National Au-

tomatic Laundry and Cleaning Council (NALCC). At the convention, emphasis was placed on the new improved permanent press fabrics that will make it possible for consumers to have coin-op stores do practically all of this work with little or no pressing.

Bad manners can be fatal if they occur behind the wheel of a car. The discourteous driver who tries to get away with something in traffic too often succeeds only in hurting himself and innocent victims. Common courtesy pays off in safe driving.

## SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

### THAT TURKEY DINNER COULD CAUSE TROUBLE

Thanksgiving time is turkey time.

Turkey can afford a delicious feast if it's prepared properly. But, if it's not, the bird could cause real trouble.

You see, turkeys sometimes contain a bacteria called Salmonella which-if not destroyed in the cooking process-can cause severe distress.

Such symptoms as abdominal pain, diarrhea, fever, nausea and vomiting can appear anywhere from six to 48 hours after eating turkey infected with this bacteria. And, although these symptoms usually disappear after 72 hours, a victim can pass the infection on to others for weeks after.

No one is immune to Salmonella infection. While it can strike every member of the family, however, children and older people are particularly vulnerable.

To avoid Salmonella poisoning...this Thanksgiving, take these precautions:

\* Cook the giblets BEFORE putting them in the turkey dressing. If bacteria is present in the giblets, it may not be destroyed during the roasting process. In fact, it could rapidly multiply.

\* Don't dress your bird early and refrigerate it overnight. Chilling to preserve the dressed turkey only complicates the problem of bacterial growth during the baking process.

\* When you pack the stuffing in the turkey, pack it lightly. This way you'll allow more room for heat to penetrate and cook your bird more thoroughly.

\* Refrigerate leftovers as soon as possible after dinner.

### What's In Your Medicine Cabinet?

A study made recently by the Stanford Research Institute of 86 households in California showed the following:

\* The 86 households had a total of 2,539 medications on hand.

\* Only 445 of these were prescription drugs. The rest were purchased over-the-counter without a prescription.

\* The largest number-725-were compounds for the skin-for treating sunburn, athlete's foot, cuts, poison ivy, and so on.

\* In second place were the 565 items used for coughs, colds, and earaches.

\* Next came 341 items for gastrointestinal distress-indigestion, constipation.

\* In fourth place were the 275 compounds which act upon the central nervous system, to relieve pain.

See how your medical stocks compare. And while you're at it, safeguard your family health:

Discard old drugs or those without adequate labels.

Make sure that all drugs are out of reach of children.

## Lindenhurst News

By Mrs. Bernice Bernau Elliot 6-5649

### Women's Club Elects

Mrs. John Gibbons was elected president of the Lindenhurst Women's Club at last Thursday's meeting. Other members elected to serve on the board with her are: Mrs. Robert Hendrickson, vice president; Mrs. Dudley Mertes, secretary; and Mrs. James Sweeney, treasurer. On the executive board, Mrs. Robert Bunkelman and Mrs. Craig Rickey and the outgoing president, Mrs. Robert Manuel.

Mrs. Gibbons, chairman of the May 27, 1967 Annual Dinner-Dance, reported that 65 reservations had been made and that only ten more were available. The affair is being limited to 75 couples. The theme will be "Welcome to the Bottom of the Sea." Members collected money to assist a needy family in the village. Money was also taken from the club's treasury to aid them.

\* Eight members signed up to go to Great Lakes Hospital on Nov. 18 to entertain the hospitalized service men. \$10.65 was collected to purchase fresh fruit. Mrs. Sweeney and Mrs. Bunkelman donated the cookies.

Robert Currie, a resident

A Public Service of the ILLINOIS STATE BAR ASSOCIATION

CAREFULLY DRAWN WILL REDUCES PROBATE COST

A carefully drawn will reduces expenses of probate and can create other savings, the Illinois State Bar Association said today in announcing publication of a pamphlet entitled "Wills: Their Importance and Why You Should Have One."

The pamphlet notes the making of a will does not increase court expenses because: "If a person dies leaving property, the Probate Court has jurisdiction and must either pass on the will or determine who are the legal heirs." On the other hand, according to the ISBA pamphlet: "A will frequently reduces expenses by providing that the executor need not furnish a surety bond to the Court."

Every person has the right to die intestate—without a will—but the pamphlet urges against the exercise of this right since the estate of the intestate person must be disposed of according to the law

which may or may not coincide with the wishes of the deceased.

According to law, if a married person dies without a will, one-third of the estate goes to the spouse and two-thirds divided among the children or other descendants. If there are no children then all of the property goes to the spouse.

The pamphlet continues: "There are many provisions in the law. Just how the property will be disposed of depends on actual situations, but in all cases the law is rigid and makes no exceptions for those in unusual need or circumstances."

"The value of a will lies in the difference between:

"Planned distribution of your estate by a will, or

"Having your property distributed arbitrarily by law."

Free copies of the pamphlet on wills are available on request to: Illinois State Bar Association, Box 2360, Springfield, Illinois.

### NEW ADOPTION PAMPHLET

The legal process involved in adoption of a child now is easier and takes less time than ever, the Illinois State Bar Association states in a revised pamphlet entitled "Adoption—A Family Matter of Legal Importance."

According to the ISBA, Illinois adoption laws encourage early placement of the child with the adopting parents. In some cases, the Association states, the Court may take jurisdiction of the child within hours after birth, an arrangement which permits the adopting parents to receive the child directly from the hospital nursery.

Here are some of the points the ISBA makes in the pamphlet:

1. There is no single source of children for adoption. A child may be obtained directly from the natural parents or legal guardian. However, the most common source for securing a child is through a licensed public or private agency authorized to place children for adoption.

2. No agency will attempt to place a child for adoption until he is legally available for adoption and the natural parents have fully surrendered the child and their rights to the child to the agency.

3. A licensed adoption agency requires that a child live with the adopting parents for a short period to test the new relationship. If all goes well, the child becomes available for adoption.

4. Any minor child may be adopted but if the child is 14 years of age or older he must agree to it. Under Illinois law, an adult may be adopted under certain conditions.

5. It is sometimes advisable for adopting parents to consider the adoption of an older child. And because of the lesser demand for them, older children are more readily available for adoption than are infant children.

The pamphlet lists the Illinois Department of Children and Family Services, with offices in Springfield and Chicago, as one of the sources from which names of adoption agencies can be obtained. Requests for free copies of the pamphlet should be addressed to: Illinois State Bar Association, P. O. Box 2360, Springfield, Illinois, 62705.

## DRIVING

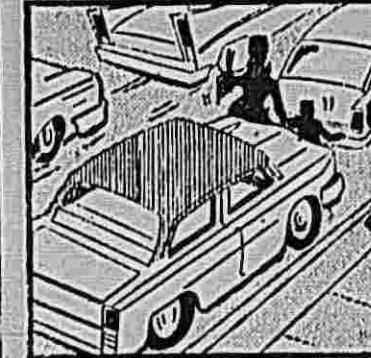

by Paul Powell  
Secretary of State

As a pedestrian you have a little chance tangling with a car, bus or truck or any moving vehicle. Illinois statistics report that 342 Illinois pedestrians were killed in 1965.

The main actions that contribute to pedestrian accidents are improper crossing at intersections, walking on the highway, crossing between intersections and last but certainly not least, walking out from between parked cars.

Statistics show that nearly all pedestrian fatalities involve

persons who have never been licensed drivers. These people often are uninformed of the ways of traffic and automobiles.

Further statistics show that a large number of our citizens over 65 have never driven because they grew up when cars were new and rare and highway driving was at a minimum. It could then follow that many of these persons unfortunately do not possess the driving experience necessary to adequately understand the problems, the difficulty of controlling an automobile.

The driver must be most considerate of these pedestrians. They often are inclined to put too much trust in drivers. In addition, there is often the problem of these people having hearing difficulty plus a general slowing up of their physical condition.

The pedestrian is the motorist's obligation. Your help is needed.

For a copy of "Rules of the Road" write to Paul Powell, Secretary of State, Springfield, Illinois.

# There's A Chance Your Thanksgiving Dinner Won't Cost You A Penny...

## Here's All You Have To Do:

First you must buy a turkey at A&P.  
Serve it for Thanksgiving dinner. Be unhappy with it.  
Come and tell us (and bring the price label or register tape, of course).  
We'll give you **DOUBLE YOUR MONEY BACK** (that should just about cover the cost of your whole dinner).  
Simple?  
Well not really because we're not taking any chances.  
We're selling only the finest turkeys.  
Every "Super-Right" bird is U.S. Grade "A".  
So we can't lose. But neither can you.  
Is this a good reason for shopping A&P?  
It's one of many.

SECTION 3

# Speed Mail To Viet Nam

Henceforth all first class mail, personal, sound recordings (voice letters), and parcels weighing five pounds or less and measuring not more than 60 inches in length and girth combined, will be airtight on a space available basis between the United States and all military post offices overseas.

Second class publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airtight from San Francisco to the armed forces serving in Viet Nam.

Parcels weighing five pounds or less and not exceeding 60 inches in length and girth combined, paid at surface rates, will be moved by surface transportation within the United States from the points of mailing to the port of embarkation. To speed up separation and delivery of these smaller parcels falling within this category, all parcels must be clearly marked upon acceptance at the post office with the letters SAM (surface airtight mail).

This will eliminate the task of reweighing and measuring the parcels at the San Francisco Concentration Center prior to dispatch to Viet Nam or other overseas military post offices.

Christmas parcels weighing five pounds and under, though they are given airtight priority from San Francisco to Viet Nam on a space available basis, should be mailed no later than Dec. 1. Airmail should be sent no later than Dec. 10.

The deadline for Christmas packages weighing more than five pounds going to Viet Nam and other overseas military post offices by surface means was Nov. 10.

# State To Review Jr. College Plan

There is another delay in the progress of the Lake County Junior College movement.

Lake County Junior College Assn. President James Lonergan said that the State Junior College Board did not have the Lake County petition on its Nov. 11 agenda. The board meets once a month.

Lonergan pointed out that a special meeting has been called by the state board to air the Lake County petition Nov. 28.

Initial delay in the plan was caused by the lengthy testimony given earlier this fall at Mundelein High School. After three nights of hearings, the transcript had to be written and the chairman of the hearing had to make a summary report to the state board.

The chairman was unable to make the summary report at the last meeting Oct. 14.

including Barrington, Lake Forest and Highland Park are opposed to the Lake County petition which encompasses the entire county. They want to join junior college districts to the south.

IF THE State Junior College Board approves the petition, it will then forward the petition to the State Board of Higher Education who must also approve the move. If the petition is approved by this body, Lake County Supt. of Schools Dr. W. C. Petty will set a referendum date for the voters.

KIDS ARE GREAT

Children are probably the most adored, lovable persons in the world. Each week your home town newspaper picks one of the children in this area as the subject for "Children's World." This exclusive picture feature probes the wonderful world of children for your viewing pleasure.

approval or rejection of the move. Before the Mundelein hearings, Lonergan predicted an early win when the referendum will be held.

## Tourism Growth Fast In Illinois

Tourism has grown faster than retail business generally in Illinois for the last decade, according to figures cited by the Taxpayers' Federation of Illinois.

The Federation based its report on the recently released "Illinois Tourism Study" by the State Department of Business and Economic Development which stressed the importance of tourism in adding billions of dollars to the State's economy.

TRAVEL expenditures in Illinois have increased at an average annual rate of 4.8 per cent during the last decade while all retail business was rising 4.5 per cent.

The study notes that \$2 billion spent by all travelers is 9.4 per cent of the State retail business with tourists accounting for 5.7 per cent.

On an average day, the report

said, about 8 per cent of Americans are away from home on trips outside their commuting zone - traveling for business, pleasure, or personal affairs. One out of 10 travel by public transportation. The remainder go by automobile.

IN 1965, \$30 billion was spent by all travelers in this country, and Illinois received 6.7 per cent of all money spent for interstate travel. About 5.5 per cent of the nation's travel traffic moves through the State, and Illinois collected \$282 million in taxes from firms catering to travelers.

All travelers spent \$2 billion in Illinois and 52 million persons from other states visited Illinois during 1965. Out-of-state travelers spent \$1.2 billion, yielding \$84 million in State taxes since 7 cents out of each tourist dollar is collected as some form of State taxes.

## Depke Wants Election Signs Removed Soon

Warren Township Supervisor Robert Depke is at least one member of the Lake County Board of Supervisors who is concerned about the many political posters and signs that are marring the scenery throughout the county.

Now that the election has come and gone, Depke wants to see the posters removed and fast.

But there will be some delay. Depke suggested Nov. 10 that the county board take some action to get rid of the various posters and signs.

He pointed out that in Peoria County there are no posters on poles, or rights-of-way.

The county board turned over the proposal to the resolutions and elections committees for study.

A resolution is expected to be presented at the Dec. 13 session of the county board.

## More Pheasants, State Biologists Find In Survey

Hunters who went into the field in east-central Illinois for the opening of the pheasant season Friday were expected to find a few more pheasants than in 1965, according to biologists of the Illinois Natural History Survey and the Illinois Department of Conservation.

They estimate a 10 per cent increase in the number of cock pheasants available to hunters on the 36-square-mile study area in Ford and McLean Counties.

Each year wild pheasants are captured and marked with leg bands and colored plastic backtags in order to study their behavior. Hunters are requested to return any tags and bands to Pheasant Research, Illinois Natural History Survey, Urbana, along with the date and location where the bird was killed or found.

The pheasant season extends from Nov. 11 to Dec. 11 with a daily bag limit of two cocks. Shooting hours, except for opening day, are from sunrise to sunset.

## Kitty, My Rib, To Be Featured At Long Lake

The annual fall Luncheon and Christmas sale is scheduled at Trinity Lutheran Parish Hall by the Women of the Church, this Thursday, Nov. 17.

"Kitty, My Rib" will be the feature of the afternoon program, a dramatic presentation of "Katie" wife of the great Reformation leader of the 16th century.

Mrs. Alice Nothnagel, in whom the wife of Martin Luther comes to life, depicts Katie as a very human personality. Surprising the world when he took as his wife Katherine von Bora, an aristocratic proud woman who had at one time been a nun, she is seen as a human being herself and sees her husband as a family man who sang, joked and played with his children.

Mrs. Nothnagel is active in church work and comes to Trinity at Long Lake through the invitation of Mrs. Laurel Herich.

Mrs. Marie Michel and Mrs. Vicki Anderson are the co-chairwomen of the Christmas Sale. Mrs. Georganne Auchampagh of the Lois Circle is in charge of the luncheon.

The Trinity Lutheran Congregation is located at Long Lake on Rte. 131. The public is invited.

## Mission Reports Due At Wildwood

A report of last summer's worship, work, study caravan to United Presbyterian missions will be the program for Sunday's "Family Night" at 6:30 p.m. in Wildwood Presbyterian Church.

Rie Carus, of West Allis, Wis., First Presbyterian Church, will show slides and discuss her experiences during the summer work project at the Nez Perce Indian Reservation near Kamiah, Idaho. Also included in the program were trips and mission study in South Dakota and Montana and a Presbyterian College study in Minnesota.

Reception of new members will be included in the Thanksgiving eve service at 7:45 p.m.

## Calvary Presbyterians Set Budget Of \$19,600

2-B Lakeland Publications Thursday, Nov. 17, 1966

## St. Mark To Hold 2 Thanksgivings

"More Than Sand" is the theme of the stewardship emphasis at St. Mark Lutheran at Lindenhurst this year.

Barbara Siebman has completed the illustrative art forms that have been on display each Sunday for the past seven weeks.

Donald Blessum, Ray White, and Fred LaChance will be in charge of the program to be presented at the Loyalty dinner at the church 6:30 p.m. Sunday, Nov. 20. At that time the goals and visions of the congregation will be presented as a basis for the commitments that will be made Sunday at either of the two morning services.

The Thanksgiving boxes, given out at the beginning of the year, will be returned by the ladies of the church 7:30 p.m. Thursday, Nov. 17. The pastor, the Rev. Harold I. Nelson, has charge of the devotional study, and Chuck Altman, of the Altman Flower Box at Round Lake, will present the "Holiday Program," a demonstration of flower and greenery for Christmas.

St. Mark Lutheran will have not one but two Thanksgiving services. After reconsideration it was decided to have one service at 7:30 p.m. Wednesday and the second one at 10 a.m. Thanksgiving Day.

Good used clothing may be brought to the church anytime during Thanksgiving week. St. Mark joins the churches of the country in providing warm clothing for the needy again this year. Clothing should be brought in good, strong.

## Banner Awards Made To Awana

The past two weeks have been very interesting at the First Baptist Church for the AWANA Girls.

They had a "Real Fun" time at the Halloween party. Games appropriate to the evening were played such as broom riding relays and a magic carpet game. Sharon Roeder was the individual winner of the carpet game and the other games were team competition. Prizes were awarded for costumes; most original, Susie Atwood; funniest, Terry Rogers; prettiest, Phyllis Parker. The ideas were really tremendous as the girls wore costumes of a home creation not a store.

Halloween night the Banner Class was Mrs. Laycox's but this past Tuesday night Mrs. Atwoods class captured it. Work is progressing in the handbooks at a fast pace this year with the anticipation of Awards Night in the spring.

Members are also looking forward to the Christmas season with the projects this always brings and to the contests that are held.

## Holiday Fair On Schedule

A Holiday Fair will be presented by the Christian Service groups of the Community Church of Richmond Friday, Nov. 18. Starting at 7 a.m. breakfast will be served throughout the morning. Handmade aprons and other handmade gifts including Christmas decorations will be for sale.

The Calvary Presbyterian Church of Round Lake is holding a family dinner following the worship service this Sunday, Nov. 20.

This is not a fund-raising project, but an opportunity for families of the church to unite in closer fellowship. There is no charge, nor will a free will offering be taken.

Sunday worship frequently becomes individualistic as members arrive a few minutes before the service and leave a few minutes after. Next Sunday's program is an effort to help become better acquainted. The potluck dinner will be followed by a "sing-a-long" led by Fred Krueger. Those attending are asked to bring a covered dish before 10:45 a.m. For any additional information, call Harriet Troy at KI 6-1900 or Joanne Shute at 395-1417.

The congregation will be winding up its financial drive this week as they seek support for a proposed 1967 budget of \$19,600. Over \$10,000 of this was subscribed by voluntary pledges in the service last Sunday.

About 50 young people are meeting at the grade school on Friday evenings for basketball. Because of the large number, they will be divided into two groups: Grade school age from 6:30 to 7:30 p.m., and high school from 7:15 to 9 p.m. All players must have gym shoes and are encouraged to bring a towel for a shower after the games.

The final results for Pancake Day are now in and show the largest profit ever seen. After all expenses were paid the net income was \$291.90.

## Plan Festival At St. Peter's

The annual Feather Festival of the parish of St. Peter's Catholic Church, Spring Grove, will be held starting at 8 p.m., Monday, Nov. 21, in the church hall on Main St., in Spring Grove.

There will be refreshments, entertainment and prizes for the event which is open to the public.

The bazaar will be from 12 noon to 8 p.m. and the smorgasbord 5 to 8 p.m. On the left is Edna Hanks, treasurer, and Mrs. Wayne Car-sella, president.

## St. Paul Church Plans Thanksgiving Service

The annual festival of Harvest and Thanksgiving will be observed at St. Paul Lutheran Church in Round Lake Park Thanksgiving Day, Nov. 24, with a special service at 10 a.m.

Pastor Martin C. Lopahs will deliver the message asking the congregation particularly to take inventory of its blessings before engaging in a mechanical act of gratitude worship.

Both the Senior Choir and the Children's Choir, directed by Miss

Margaret Stoelting, will give special anthems in this service of praise.

Also as part of its Thanksgiving observance this year, the congregation is again taking part in the national Clothing Drive for Lutheran World Relief. Members are asked to bring their contributions of clean and used but usable garments to the church any time between Sunday, Nov. 20, and Sunday, Nov. 27. Howard Peterson is in charge of this special committee.

Other activities at St. Paul this week include Junior Confirmation classes on Thursday, 7 to 9 p.m., Nov. 17, rehearsal of the Senior Choir the same evening at 7:30; the presentation of a three-act play entitled "Lights Out" by members of the Walther League 7 p.m. Saturday and Sunday, the monthly meeting of the Voters' Assembly 8 p.m. Monday.

## LAKE REGION BIBLE CHURCH

One  
hundred years  
of healing  
through  
prayer

This book presents an impressive record of authenticated cases of outstanding physical healings and spiritual regeneration through Christian prayer. It is a timely response to today's renewed interest in spiritual healing. The reader will find many instances where the individuals who experienced the healings explain the spiritual awakening which brought about those healings. This book commemorates the Centennial of the discovery of Christian Science in 1866 by Mary Baker Eddy. It is offered in a spirit of sharing the hope and joy of ordinary lives deeply touched by the Christ.

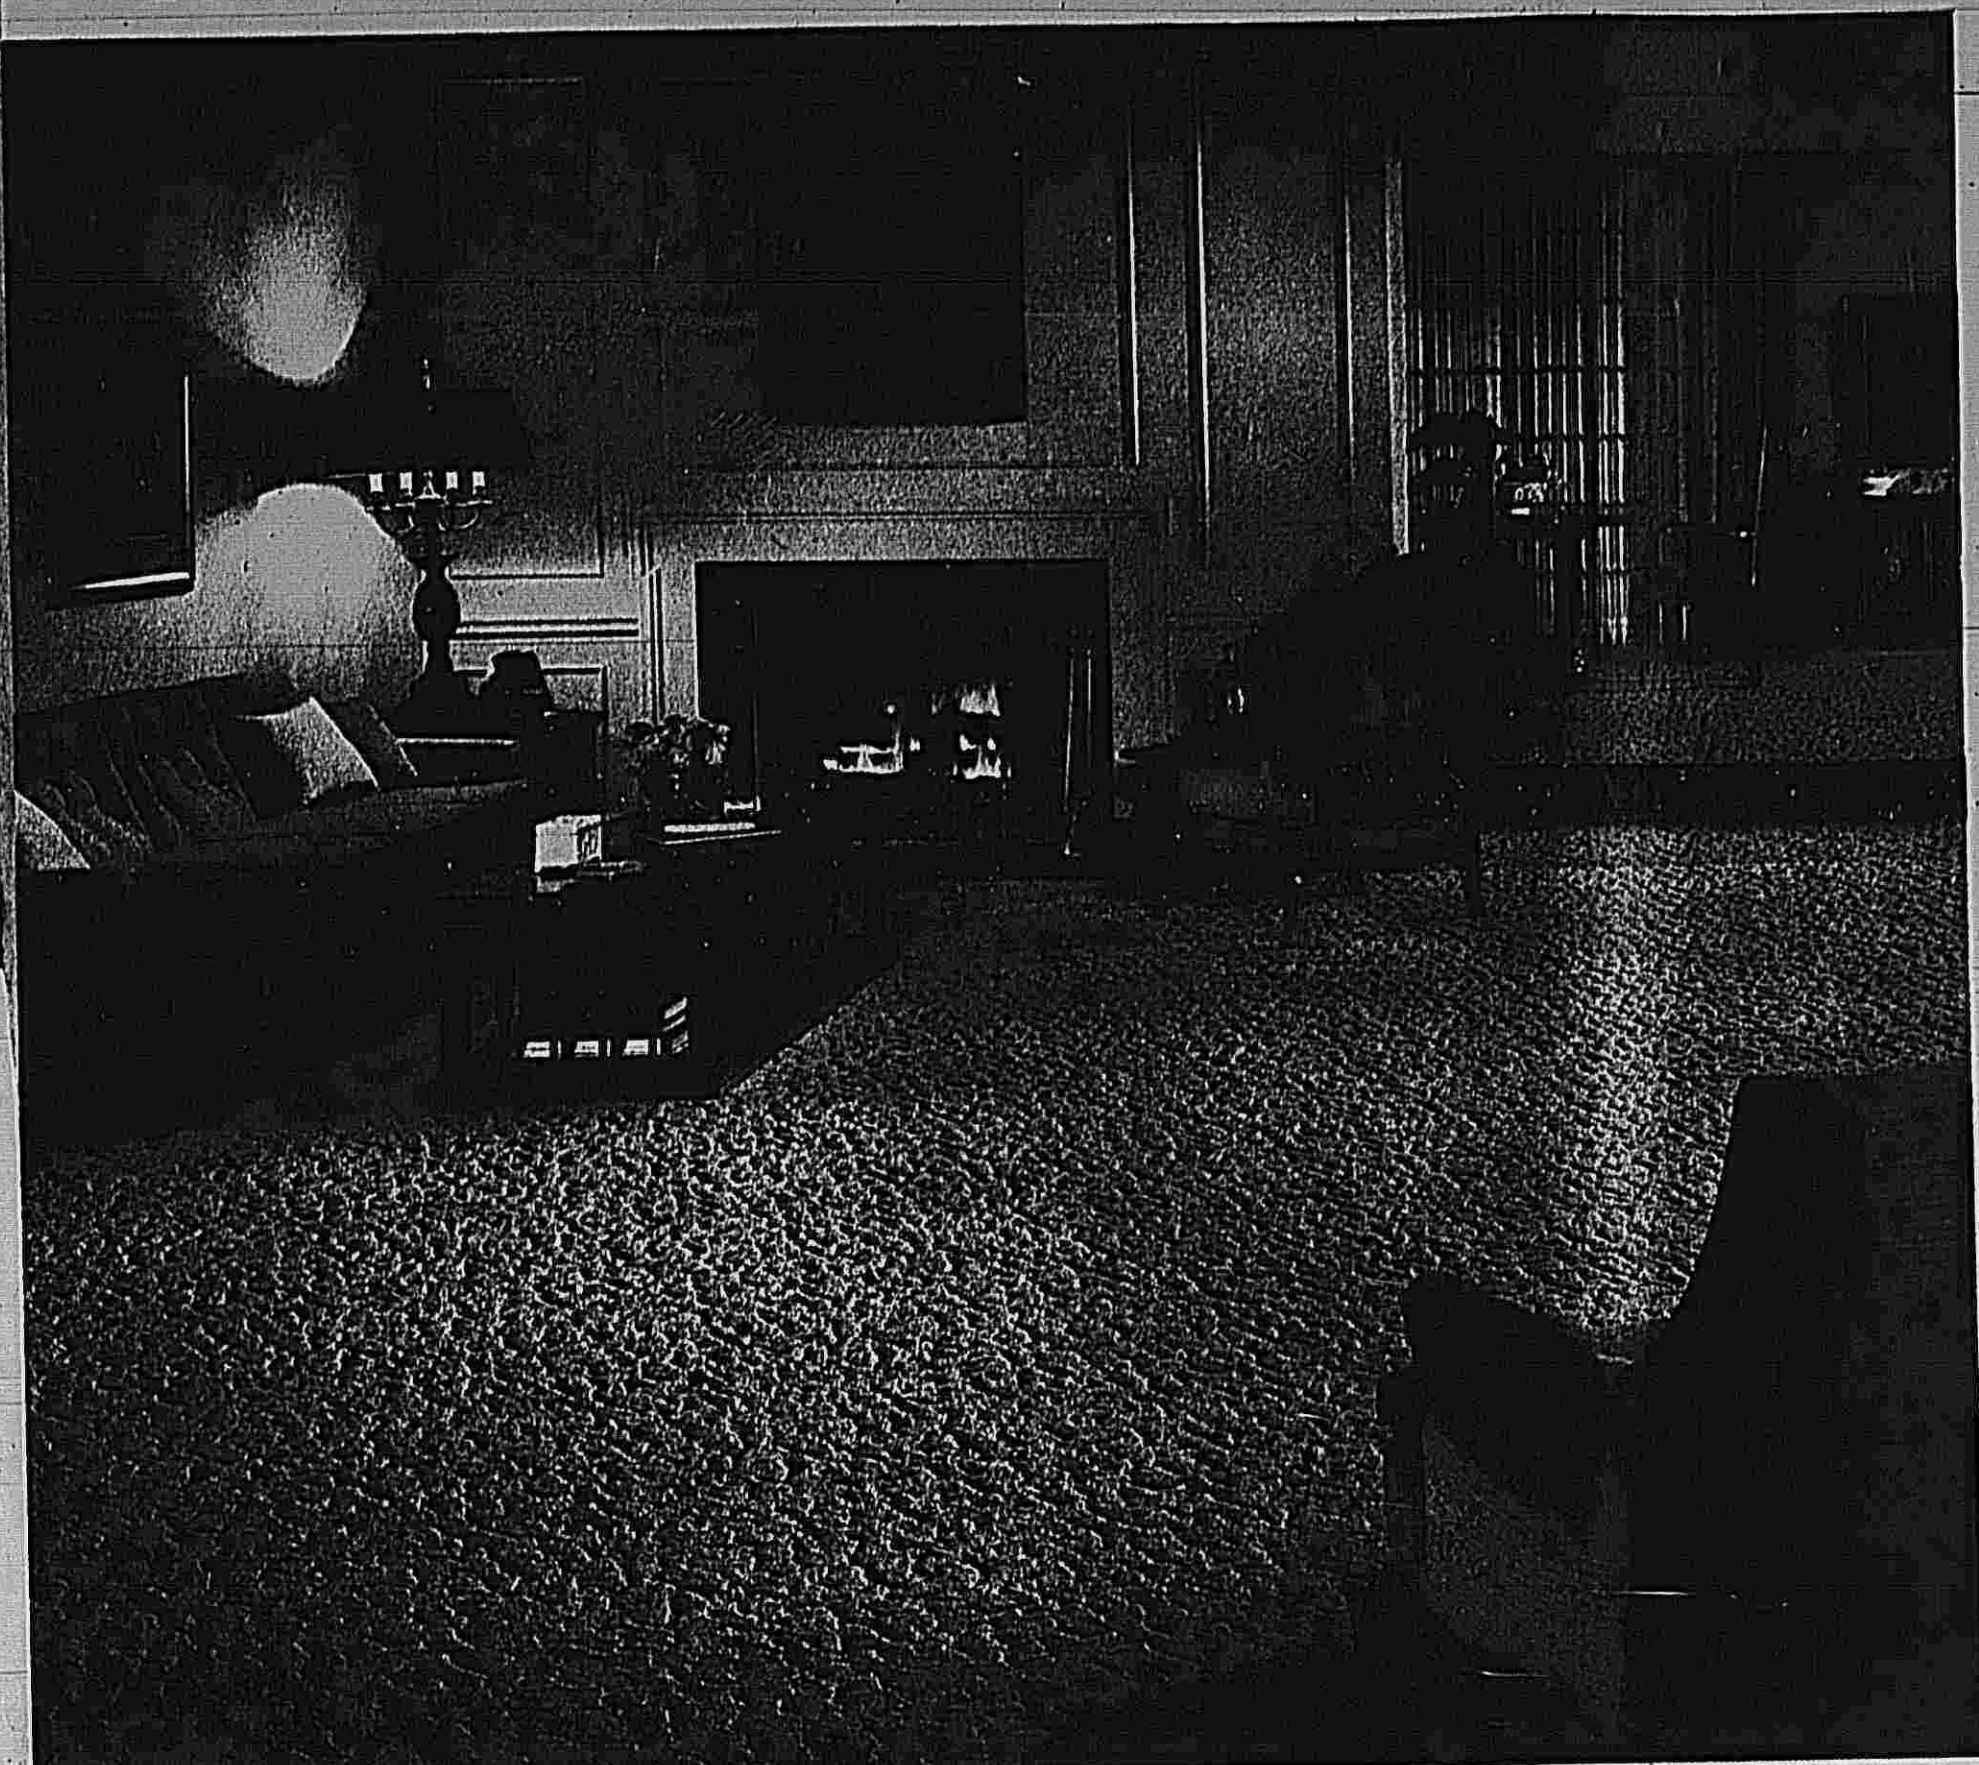

Now available at the  
Christian Science Reading

## AUTO ADVICE

By BIG JOHN TERESI

**WHERE TO BUY A GOOD USED CAR**

It's easy to get into the "car business." All you have to do is pick up a few cars at a wholesale auction, rent a vacant lot, put up your sign and you're ready to go. If you want to buy a good used car (though, I wouldn't suggest you be your own customer.

A good used car is not obtained by accident. It is selected first by an experienced estimator from what his eyes and ears tell him about its condition. With "rough" models thus eliminated, it must then be completely reconditioned.

At John Teresi this includes a road test, check of all electrical equipment, brakes, tires, front end and transmission. The compression is then tested and the engine tuned up. In cases where the general condition justifies it and it is necessary, we may rebuild the motor.

If the car requires a repainting, this is done after dents and scratches have been bumped out and sanded. The car is then ready to be guaranteed as a quality used car and go on our lot.

The cars eliminated in our first appraisal are sold at wholesale auction out of town where they are ultimately bought by used car dealers. As the used car dealer generally possesses no garage facilities whatsoever (that's the type of operator we mentioned in the first paragraph), his only concern is to sell them. Since the used cars of reputable franchised new car dealers are competitively priced with those on used car lots, it is easy to see where the bargain lies.

# ACT Leader Labels Tax Ceiling Fear 'Hogwash'

Members of the Assn. of Collective Taxpayers of Lake County, happy over voters' approval of three propositions limiting expenditures by public offices, appointed a nominating committee of three to name new officers at a meeting Nov. 9 at the Blen Venue Restaurant in Libertyville.

Picked to select a president, vice president, secretary-treasurer, and editor of Spotlight, were Robert Delienne of Zion, Richard M. LeBaron of Waukegan and Karl Numsen of Libertyville. New officers are to be announced at the next meeting Dec. 14 at the Blen Venue.

Spokesmen for the organization expressed indignation over reactions of opponents to their efforts to curb tax spending.

"They talk about the rebuke to Lake County tax spenders as meaning that real estate will be assessed at 100 per cent of a full fair cash value instead of at 55 per cent. That's hogwash," said Imogene Cashmore of Grayslake, an active member of the association for five years.

## Army Promotes Capt. Walker To A Major

Army Chaplain Conrad N. Walker, son of Mr. and Mrs. Don D. Walker, 1600 Long Beach Dr., Long Lake, was promoted to major Oct. 19 in Viet Nam, where he is serving with the 173rd Airborne Brigade.

Chaplain Walker, assigned to the brigade's Company A, entered on active duty in September 1962 and was last stationed at Ft. Campbell, Ky.

He was graduated from Grant Community High School, Ingleside, in 1951 and from the University of Washington, Seattle, in 1955 with a B.A. degree. The chaplain is a member of Sigma Nu fraternity.

Chaplain Walker has received the Bronze Star Medal for heroism and the Army Commendation Medal.

His wife, Joan, lives at 507 E. Fifth St., Blue Earth, Minn.

"All 102 counties of Illinois have the same equalization factor," Mrs. Cashmore continued. "Any attempt to boost our levy to 100 per cent would meet with resistance from the State, and the various school districts would suffer drastically through aid to education. The Lake County politicians know this and still they spread fear among taxpayers."

## Dry Milk Warning Issued By State

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, has urged all persons having Starlac-dry milk products in their homes not to use them. They should be returned to the stores from which they were purchased.

The U. S. Food and Drug Administration has discovered salmonella organisms in some of the products. These organisms produce a gastro-intestinal infection, causing diarrhea and stomach cramps, sometimes with serious consequences.

Dr. Yoder has ordered an immediate reinvestigation of the 15 plants in Illinois producing dry milk. Laboratory tests will be performed on samples to check the extent of contamination.

## Use The Want Ads

Thursday, Nov. 17, 1966

Rolland Sandee assistant supervisor for Waukegan Township, agreed with her, Mrs. Cashmore said after the board of supervisors meeting in Waukegan, Thursday, Nov. 11.

## Studded Tires In Illinois Are Illegal

Tire manufacturers are warned by the Illinois Department of Public Works and Buildings that use of metal studded tires on Illinois highways is illegal.

Pointing out that advertising offering the studded tires for sale has appeared in various media recently, Francis S. Lorenz, director of the department, requested that the practice be stopped.

Engineers of the Illinois Division of Highways have made tests to determine the effect of the use of metal studded tires. Results of the latest tests, conducted last spring, are being evaluated.

Under winter conditions in Illinois, use of studded tires on bare pavements will exceed their use on ice and snow, research has disclosed. It is the policy of Illinois highways maintenance crews to remove snow and ice from the pavement as soon as practical.

## Consider Name Change For Road With 3 Names

One stretch of road running from Rte. 63 in Gurnee to Cedar Lake Rd. in Round Lake has three different names, and to some residents in both Warren and Avon Townships, this fact is causing undue confusion.

In an effort to get one name for the road, Dan McGaughey, Gages Lake realtor, suggested to both Warren Township Supervisor Robert Depke and Avon Township Supervisor Norman Geary that their respective township boards consider one name for the entire stretch of the road.

FROM RTE. 63 to Rte. 45 the road is called Grange Hall Rd.; from Rte. 45 to Rte. 83 it is called Druce Lake Rd.; and from Rte. 83 to Cedar Lake Rd. it is Renehan Rd.

McGaughey suggested to both

## \$57 Million Budget OK'd For Northern

A proposed budget of \$57,058,432 for the operation of Northern Illinois University during the 1967-69 biennium has been approved by the Board of Governors of State Colleges and Universities (BGSCU).

The figure represents an increase of 59.4 per cent over the \$35,784,733 appropriated for NIU for the current 1967 biennium.

Northern's request was part of an overall total of \$179,367,471 approved at NIU by the Board for operation of six colleges and universities under its jurisdiction. From general revenue would come \$167,744,373; from student fees and other sources, \$11,623,098.

More than \$23,000,000 would provide for increased enrollments at the six institutions. The six this autumn enrolled 48,214 resident students, 5,319 more than a year ago. NIU's current enrollment is 16,440.

The overall operating budget goes to the Illinois Board of Higher Education Dec. 6 and later to the Illinois Legislature's Budgetary Commission for review.

Other BGSCU action affecting Northern included:

—Approval of a financial feasibility study for two more high-rise towers to complete residence hall Group IV at an estimated cost of \$6,725,000.

—Referral to the Board's finance committee a proposal to convert Adams Residence Hall into faculty offices to relieve an acute shortage of office space.

—Referral to finance of a financial feasibility study for construction of a \$200,000 addition to Altgeld Hall, an administration structure.

## Illinois Leads All States In Farm Exports

Illinois led all other states in the total value of U. S. farm exports during the 1965-66 export season.

The value of Illinois exports, \$666 million, was \$171 million more than that of each of the two states that tied for second place in this valuation.

Total value of U. S. farm exports during the period was \$6,681,000,000, more than one-fifth of total world farm exports and more than any other country. This is a record high, surpassing by 10 per cent the previous year.

California and Texas each accounted for \$495 million in value of farm exports, tying for second place.

"We are confident of our assets and realize the vital need for our state, as well as for the entire nation, to continue to increase farm exports as world demand increases for our products," Robert M. Schneider, director of the Illinois Department of Agriculture, said.

supervisors that the road be named Warravon Rd., a combination of the township names Warren and Avon.

The supervisors aired the idea to their respective township boards last week, but both boards rejected the suggested name but did agree that one name for the road was a good idea.

"The town board rejected the name Warravon because they thought it was too long," Depke said. "They have taken the matter under advisement."

There was "not much enthusiasm for the name," Geary pointed out, but they did agree to change the names if a good name comes along.

HE POINTED out there might be some problems in the proposed name change because some people might object to the family name of Renehan being dropped.

Geary explained that the Lake County Board of Supervisors would have the final say on the name change. "The recommendations of the Warren and Avon town boards would be forwarded to the Highway Committee who would then forward the recommendation to the county board," Geary said.
